Prepared October 15, 2009 (for November 4, 2009 Hearing)

To: Coastal Commissioners and Interested Parties

From: Dan Carl, District Manager
Jonathan Bishop, Coastal Planner

Subject: Final Coastal Commission Certification Review for San Luis Obispo County Local Coastal Program Amendment Number SLO-MAJ-2-07 Part 2 (Framework for Planning).

At the June 10, 2009 Coastal Commission meeting in Marina del Rey, the Commission approved, with suggested modifications, San Luis Obispo County Local Coastal Program (LCP) Major Amendment Number 2-07 Part 2 (Framework for Planning). This LCP amendment was a text change to correctly reference the Parks and Recreation Element instead of the County's Parks Plan, Parks and Recreation Master Plan and/or Trails Plan, none of which are part of the LCP. The amendment was incorporated into the LCP's Land Use Plan (LUP).

By action taken August 18, 2009, San Luis Obispo County adopted the amending LCP text as directed by the Commission's suggested modifications (see Exhibit A). This action was taken within the required timeframe.

The Executive Director has determined that the actions taken by the County are legally adequate and that the amended LCP should be certified. The Executive Director recommends that the Commission concur with this determination and that the LCP, as amended, be certified. If the Commission concurs, the amended LCP will be certified as of today's date (i.e., November 4, 2009), and notification of this certification and Commission concurrence will be forwarded to the County.

Motion. I move that the Commission concur with the Executive Director's determination that the actions taken by San Luis Obispo County to accept the Commission's suggested modifications for San Luis Obispo County LCP Amendment 2-07 Part 2 are legally adequate.

Executive Director's Recommendation. The Executive Director recommends a **YES** vote on the motion. Passage of this motion will result in certification of the San Luis Obispo County LCP as directed by the Commission's approval with suggested modifications of LCP Amendment 2-07 Part 2 the amended LCP will be certified as of today's date (i.e., November 4, 2009). The motion passes only by affirmative vote of a majority of the Commissioners present.
