Subject: Extension of Time Limit for Commission Action on Santa Cruz County Local Coastal Program Amendment Number 1-11 Part 4 (Fences and Retaining Walls)

Santa Cruz County has submitted the above-referenced Local Coastal Program (LCP) amendment request intended to amend Chapter 13.10 of the County's Implementation Plan (IP) with respect to regulations pertaining to fences and retaining walls.

Coastal Act Section 30510 allows a proposed LCP amendment to be submitted if the submittal contains materials sufficient for a thorough and complete review. Once that requirement is satisfied and the amendment is filed as complete, the Coastal Act requires that the Commission act on an Implementation Plan (IP) amendment within 60 days and a Land Use Plan (LUP) amendment or combined LUP/IP amendment within 90 days. If Commission action is not taken within the applicable timeframe, then the amendment is deemed approved and certified by the Commission (Coastal Act Sections 30510, 30512, 30513, and 30514).

Santa Cruz County LCP amendment 1-11 Part 4 was filed as complete on June 15, 2011. The proposed LCP amendment includes an IP component only and thus the 60-day requirement applies; the 60th day is August 14, 2011. Therefore the amendment would have to be scheduled for action by the Commission's August meeting if it were to be decided within 60 days of filing. However, Coastal Act Section 30517 allows the Commission to extend, for good cause, the 60-day time limit for a period not to exceed one year. A one-year extension would result in a new deadline for Commission action of August 14, 2012.

In this case, the proposed amendment presents potential LCP resource issues with respect to fence and retaining wall issues and there is insufficient time before the August 2011 hearing to analyze the changes proposed to ensure coastal resource protection consistent with the LUP. A later meeting date would allow for adequate review time, as well as allow for consultation with the County regarding any possible amendment modifications. Although staff believes that this matter will be brought to hearing before the new deadline, it has generally been the Commission's practice to extend such deadlines for a full year as provided by the Coastal Act to allow for flexibility in hearing scheduling (including to accommodate any requested or otherwise necessary postponements, continuances, etc.) and in terms of allotting scarce staff resources. Therefore, staff recommends that the Commission extend the deadline for Commission action by one year.
