

CHAPTER 4
VENTURA COUNTY

City of Ventura
to the
Los Angeles County Line

In Ventura County, a total of 6 vertical accessways have been recorded pursuant to Coastal Commission actions since 1973. Of those 6 accessways, 3 (or 50%) have been constructed and opened for public use; and 3 (50%) remain yet to be opened.

Accessways that are open and available to the public are shown in green; accessways closed or not yet opened are shown in red. For other notes on how to read graphics, see pg 6 in the Introduction.
