COASTSIDE TRAIL

Beginning at Mirada Way, just south of Princeton-by-the-Sea, and ending approximately one mile south of The Ritz-Carlton, Half Moon Bay, the **Coastside Trail** is very popular with locals and visitors. It is open to those traveling by foot and bicycle, and winds alongside the 18th hole of the Old Course of the Half Moon Bay Golf Links, behind the resort, and continues alongside the Ocean Course to the south.

Public parking, picnic areas and restrooms are available to all who wish to enjoy the Coastside Trail. Twenty-five public parking spaces are available daily, between sunrise and sunset, in the resort's parking structure. Complimentary access to these spaces is given upon request at the Greeter's Booth, and is restricted to individuals specifically enjoying the Coastside Trail. The public parking area is located on the second level of the parking structure, to the right of the resort's main entrance, prior to reaching the Half Moon Bay Golf Links.

For your safety, non-player access to golf courses is prohibited. Please do not walk, run, or bicycle onto golf fairways, greens or pathways.
