

# Hollister Ranch Coastal Access Program

## HRCAP OBJECTIVES (APPROVED 9/21/2020)

Eight overarching objectives have been defined for the Hollister Ranch Coastal Access Program (HRCAP). These objectives constitute the goals of the HRCAP.

- Objective 1: Provide safe, equitable and inclusive access.
- Objective 2: Provide options for experiences that meet the interests of a broad range of Californians.
- Objective 3: Provide increased access within one year of program approval by Coastal Commission.
- Objective 4: Minimize impacts in order to protect coastal resources, including natural habitats, cultural resources, and agricultural operations.
- Objective 5: Respect private property rights.
- Objective 6: Implement the laws and policies of Santa Barbara County, the State of California, and the Federal Government.
- Objective 7: Define process for assessing long-term effectiveness of HRCAP in achieving program objectives.
- Objective 8: Assess implementation challenges of program components and identify strategies for potential solutions.
