CLASS ACTION
STIPULATION AND AGREEMENT
OF SETTLEMENT BETWEEN THE
HOLLISTER RANCH OWNERS'
ASSOCIATION AND DEFENDANTS
STATE OF CALIFORNIA COASTAL
CONSERVANCY, CALIFORNIA
COASTAL COMMISSION AND
RANCHO CUARTA

Plaintiff HOLLISTER RANCH OWNERS' ASSOCIATION ("HROA"), a non-profit mutual benefit corporation, and Defendants CALIFORNIA STATE COASTAL CONSERVANCY, an agency of the State of California, and the CALIFORNIA COASTAL COMMISSION, an agency of the State of California, (collectively, the "State"), and Defendant and Real Party in Interest Rancho Cuarta, a general partnership ("Rancho Cuarta"), (together, the State and Rancho Cuarta are referred to as the "Defendants," and together, HROA and the Defendants are referred to as the "Stipulating Parties"), enter into this stipulation and agreement of settlement (the "Agreement" or "Settlement Agreement"). This Agreement is intended by the Stipulating Parties hereto to fully, finally, completely, and unconditionally compromise, resolve

1 and settle the above-captioned lawsuit and the Released Claims (defined below) as between the
2 Stipulating Parties, subject to the terms and conditions set forth below and final approval by
3 Court.

4 **WHEREAS:**

5 A. Hollister Ranch consists of approximately 14,500 acres of land along the Santa
6 Barbara coast which has been an operating cattle ranch for over 100 years. In 1970, Hollister
7 Ranch was subdivided into 135 parcels, each approximately 100 acres. After 1970, Parcel 136
8 was annexed as part of Hollister Ranch. 133 of these 136 parcels are privately owned by
9 members of the HROA (the “Members”). There are an estimated 1,100 Members of the HROA.
10 The HROA owns three of the 136 parcels.

11 B. In October 1980, the Commission approved the issuance of Coastal Development
12 Permit No. 309-05 subject to certain conditions that the Commission determined were satisfied by
13 the Young Men’s Christian Association of Metropolitan Los Angeles (YMCA) when the YMCA
14 executed on March 11, 1982 an Irrevocable Offer to Dedicate and Covenant Running with the
15 Land, recorded on April 28, 1982 as Instrument No. 82-17113 of the Official Records, County of
16 Santa Barbara (“Offer to Dedicate”).

17 C. On April 26, 2013, Defendant Conservancy recorded a Certificate of Acceptance
18 as Instrument No. 2013-0028299 of the Official Records, County of Santa Barbara (“Certificate
19 of Acceptance”). The purpose of the Certificate of Acceptance was to accept the Offer to
20 Dedicate for various public access easements (“Access Easements”) in and on the Hollister
21 Ranch. The Offer to Dedicate was executed by the YMCA, a former owner of Parcel 136. Each
22 of the alleged Access Easements described in the Certificate of Acceptance or Offer to Dedicate
23 would burden property owned by HROA and the Members. Neither HROA, nor any of the
24 Members (with the exception of the former owner of Parcel 136) consented to the recording of
25 the Certificate of Acceptance or Offer to Dedicate.

26 D. On May 31, 2013, the above-captioned litigation was initiated by Tom Pappas,
27 Tim Behunin, Trustee of the Behunin Family Trust, Patrick Connelly, The Hollister Ranch
28 Cooperative, HROA, and the Members (as a class action) with the filing of a Complaint for Quiet

1 Title, Cancellation, Declaratory and Injunctive Relief, Petition for Writ of Mandate and Other
2 Relief in the Superior Court of the State of California for Santa Barbara County against the State
3 of California, a public entity, State Coastal Conservancy (named as the California Coastal
4 Conservancy), an agency of the State of California, California Coastal Commission, an agency of
5 the State of California, County of Santa Barbara, a political subdivision of the State of California,
6 and All Persons Unknown, Claiming Any Legal or Equitable Right, Title, Estate, Lien, or Interest
7 in the Property Described in the Complaint Adverse to Plaintiffs' Title, or Any Cloud on
8 Plaintiffs' Title Thereto, and Does 1-100 Inclusive, Santa Barbara Superior Court Case No.
9 1417388 (the "Action").

10 E. On or about April 9, 2013, Defendant County of Santa Barbara adopted a
11 resolution by which it declined to accept the benefits of the public access easements alleged to
12 have been created by the Certificate of Acceptance of the Offer to Dedicate and subsequently
13 entered into a settlement agreement similarly disavowing any interest under either the Offer to
14 Dedicate or the Certificate of Acceptance. An Order Granting Final Approval of Class Action for
15 Settlement with the County of Santa Barbara and a Judgment in favor of plaintiffs was entered on
16 October 30, 2014.

17 F. On or about March 11, 2014, Rancho Cuarta was named as a Defendant and Real
18 Party in Interest to this Action by way of the Second Amended Complaint in this Action.

19 G. The Stipulating Parties wish, on the terms set forth herein, to resolve their
20 differences concerning the foregoing matters without resort to additional expensive and time-
21 consuming litigation, the outcome of which would be uncertain. This Agreement shall not be
22 construed or deemed to be a concession by any Party of any wrongdoing, fault, liability, or
23 damage to any person or entity, or any infirmity in any claim or defense.

24 **NOW, THEREFORE, IN CONSIDERATION OF THE FOREGOING, THE**
25 **MUTUAL PROMISES CONTAINED HEREIN, AND FOR OTHER GOOD AND**
26 **VALUABLE CONSIDERATION, THE RECEIPT AND SUFFICIENCY OF WHICH ARE**
27 **HEREBY ACKNOWLEDGED, WITHOUT ANY ADMISSION OR CONCESSION ON**
28 **THE PART OF THE STIPULATING PARTIES, IT IS HEREBY STIPULATED AND**

1 **AGREED, BY AND AMONG THE STIPULATING PARTIES AS FOLLOWS:**

2
3 **1. RULES OF CONSTRUCTION AND DEFINITIONS**

4 As used in this Agreement, the following rules of construction and definitions apply to
5 this Agreement, including the Exhibits to this Agreement.

6 1.1 The definitions contained in this Agreement apply to capitalized terms wherever
7 those terms appear in this Agreement, including the prefatory paragraphs and recitals above, the
8 sections below, and the Exhibits hereto. Capitalized terms have the meanings ascribed to them to
9 the extent they are not otherwise defined in this Section. Each defined term stated in the singular
10 shall include the plural and each defined term stated in the plural shall include the singular. Any
11 pronoun stated in the masculine, feminine or neutral gender shall include all genders. The word
12 “including” when used in this Agreement means “including but not limited to,” and the words
13 “include,” “includes,” and “included” shall be similarly construed. The words “herein,” “hereof,”
14 “hereunder,” and any other words of similar import, when used in this Agreement, refer to the
15 entirety of the Agreement, including the Exhibits hereto.

16 1.2 “Action” means the claims brought in the above-captioned litigation.

17 1.3 “Approved Non-Profit Group” means a non-profit or not-for-profit entity that
18 provides outdoor educational and recreational experiences, which has been vetted and approved by
19 both Plaintiff and the Coastal Conservancy for participation in the Hollister Ranch Access
20 Program. The Plaintiff and the Coastal Conservancy will consider the following factors when
21 evaluating a potential Approved Non-Profit Group: proof of tax exempt or not for profit status,
22 formal legal structure (e.g., not for-profit corporation or public entity), operational track record,
23 financial responsibility, proof of adequate insurance coverage (as approved by Plaintiff and
24 equivalent to at least \$1,000,000 in liability in 2017), a mission to provide services to individuals
25 such as the disabled, children, or underserved populations who would benefit from therapeutic,
26 recreational, and/or educational experiences at the coast, and history of successful and close
27 management/supervision of similar activities. The Plaintiff and the Coastal Conservancy will
28 collaborate to notify and recruit a broad range of potential groups to apply for participation in the

1 Non-Profit Access Program. Both the Plaintiff and the Coastal Conservancy have the power to
2 disapprove a group, for any reason, at any time.

3 1.4 “Court” means the court in which the Action is pending.

4 1.5 “Coastal Commission” means the California Coastal Commission, an agency of the
5 State of California.

6 1.6 “Coastal Conservancy” means the California State Coastal Conservancy, an agency
7 of the State of California.

8 1.7 “Defendants” means the Coastal Commission, Coastal Conservancy, and Rancho
9 Cuarta.

10 1.8 “Effective Date” means the date on which the Court enters the Stipulated Judgment
11 attached as Exhibit 1.

12 1.9 “Execution Date” means the first date by which all of the Stipulating Parties have
13 executed and delivered this Agreement. This Agreement shall be deemed delivered when the last
14 Party sends an executed copy of this Agreement by electronic mail.

15 1.10 “Final” means the latest of: (i) the expiration of the time to appeal, or otherwise
16 seek review of the relevant order or judgment as to which no appeal or review shall be pending;
17 (ii) the final affirmance of the relevant order or judgment on appeal and the expiration of the time
18 for a petition to review the affirmance of the relevant order or judgment on appeal, or if such
19 petition is granted, the final affirmance of the relevant order or judgment following review
20 pursuant to that grant; (iii) the final dismissal of any appeal from the relevant order or judgment or
21 the final resolution of any proceeding to review any appeal from the relevant order or judgment
22 without any material change thereto; or (iv) the date on which all rights to appeal, petition for
23 certiorari, or move for reargument or rehearing as to the relevant order or judgment shall have
24 been waived in writing.

25 1.11 “Hollister Ranch Managed Access Program” shall mean the Non-Profit Access
26 Program and the Tidepool School Program operated by Plaintiff to provide supervised managed
27 public access to the coast.

1.12 “Non-Profit Access Program” is a part of the Hollister Ranch Managed Access Program, which provides public access opportunities on the beach at Hollister Ranch for certain Approved Non-Profit Groups.

1.13 An “Opportunity” means Plaintiff’s good faith effort to make available an opportunity for at least 20 members of the public to enter Hollister Ranch and participate in a Hollister Ranch Managed Access Program. If (a) the event is cancelled due to circumstances beyond Plaintiffs’ control such as weather or natural conditions or hazards, road closure, or fire, or (b) participants or the organization does not attend, Plaintiff has fulfilled its commitment to provide the individual Opportunity. Plaintiff has the sole discretion to determine whether conditions are inappropriate for public access at a given time, which discretion shall not be unreasonably exercised and Plaintiffs will make good faith efforts to reschedule cancelled Opportunities. A rescheduled Opportunity shall be counted as if it were the original, cancelled Opportunity and not a new Opportunity. Any (a) volunteers from Hollister Ranch or (b) support staff from the Approved Non-Profit Groups who do not participate in the public access program (such as transportation staff) do not count as members of the public for purposes of this definition. If Plaintiff offers to hold an event with at least 40 members of the public, and an Approved Non-Profit Group accepts that Opportunity, the event will count as two “Opportunities.” Similarly, if an Approved Non-Profit Group accepts an invitation to hold an event with at least 60 members of the public, the event will constitute three “Opportunities.”

1.14 “Plaintiff” means the HROA.

1.15 “Released Claims” means any past, present, or future claim, of any kind that has been or could be asserted by Plaintiff against any of the Released Parties, whether seeking damages or equitable relief, including costs, attorneys’ fees and expenses of any nature whatsoever, whether known or Unknown (as defined below), asserted or unasserted, anticipated or unanticipated, that arise out of or are based on (i) the subject matters of the Action; or (ii) related to the events, allegations, facts, acts, omissions, or transactions referred to in the Complaint, or any subsequent pleading or amended complaint in the Action; provided, however, Released Claims

1 shall not include (a) any claim arising out of the breach of this Agreement, or (b) any claim that
2 has been specifically and expressly excluded from the release.

3 1.16 "Released Parties" means the Defendants, together with Defendants' subsidiaries,
4 assigns, and the directors, officers, employees, agents and attorneys of the foregoing, but solely in
5 their capacity as such for the Released Parties.

6 1.17 "Settlement" means the terms of this Settlement.

7 1.18 "Stipulating Parties" means the parties to this Agreement: Plaintiff HROA and
8 Defendants.

9 1.19 The "Tidepool School Program" is a part of the Hollister Ranch Managed Access
10 Program, which provides access opportunities for K-12th grade children to observe tidepools on
11 Hollister Ranch for educational purposes.

12 1.20 "Unknown Claims" means any and all (i) Released Claims that Plaintiff is not
13 aware of or does not suspect to exist, and which is in its favor at the time of the release of the
14 Released Claims, and, (ii) if known by it might have affected its decision(s) to enter into this
15 Settlement. With respect to any and all Released Claims, the Stipulating Parties stipulate and
16 agree that upon the Effective Date, Plaintiff shall expressly waive and relinquish, to the fullest
17 extent permitted by law, any and all provisions, rights, and benefits conferred by California Civil
18 Code § 1542 and any federal law, any law of any state or territory of the United States, or any
19 principle of common law, which is similar, comparable, or equivalent to California Civil Code §
20 1542. California Civil Code § 1542 provides:

21 A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS
22 WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO
23 EXIST IN HIS OR HER FAVOR AT THE TIME OF
24 EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR
HER MUST HAVE MATERIALLY AFFECTED HIS OR HER
SETTLEMENT WITH THE DEBTOR.

25 It is the intention of the Stipulating Parties that, notwithstanding the provisions of California Civil
26 Code § 1542 or any similar provisions and notwithstanding the possibility that Plaintiff may
27 discover or gain a more complete understanding of the facts, events or law that, if presently
28 known or fully understood, would have affected the decision to enter into this Agreement, any

1 and all Released Claims, including Unknown Claims, shall be fully, finally, and forever settled.

2 **2. LICENSE AGREEMENT AND RELEASE OF CLAIMS AGAINST THE**
3 **DEFENDANTS IN EXCHANGE FOR JUDGMENT QUIETING TITLE**

4 2.1 Prior to the Effective Date, the HROA, the Coastal Commission and the Coastal
5 Conservancy shall execute the License Agreement for public access to the Beach Area (as defined
6 in the License Agreement), which is attached hereto as Exhibit 2. This Settlement Agreement is
7 expressly contingent upon execution of the attached License Agreement by the HROA, the Coastal
8 Commission, and the Coastal Conservancy.

9 2.2 Upon the Effective Date, the Plaintiff, on behalf of itself and each of its past or
10 present officers, directors, employees, agents, representatives, partners, managers, members,
11 affiliates, parents, subsidiaries, heirs, executors, administrators, successors and assigns, shall fully,
12 finally, completely, and unconditionally release, acquit, discharge, compromise, resolve, settle,
13 and waive all Released Claims against the Released Parties.

14 2.3 Plaintiff acknowledges and agrees that the Settlement with the Defendants
15 represents a compromise of all possible damage claims including, but not limited to, temporary or
16 permanent taking claims, attorneys' fees, costs, fines, statutory or civil penalties, emotional
17 distress claims, personal injury claims, and any other tort, contract, consequential and/or punitive
18 damages of any kind arising out of the matters alleged in the Action.

19 2.4 Within five days of the date on which the Final Judgment disposing of this action in
20 its entirety becomes Final (as defined in Section 1.10), the State shall also execute and deliver to
21 Plaintiff's Counsel the attached Quitclaim and Extinguishment of the Offer to Dedicate and
22 Acceptance attached as Exhibit 3.

23 **3. QUIET TITLE, CANCELATION, AND ACCESS TO DOCUMENTS**

24 3.1 The State disavows, abandons, extinguishes, cancels, and disclaims any right, title,
25 or interest whatsoever in or to Parcels 1 through 136 of the Hollister Ranch associated with or
26 described in the Offer to Dedicate (Santa Barbara Co. Instrument No. 82-17113, recorded on April
27 28, 1982) or the Certificate of Acceptance (Santa Barbara Co. Instrument No. 2013-0028299,
28 recorded on April 26, 2013). The State agrees that the Hollister Ranch Managed Access Program

1 and License constitute complete compliance with special condition 1 of Coastal Development
2 Permit number 309-05.

3 **4. HOLLISTER RANCH MANAGED ACCESS PROGRAM**

4 4.1 Plaintiff will provide Opportunities for members of the public to enter Hollister
5 Ranch through the Hollister Ranch Managed Access Program. The Hollister Ranch Managed
6 Access Program will consist of two elements: (1) Tidepool School Program for K-12th grade
7 children and (2) Non-Profit Access Program.

8 4.2 Tidepool School Program: Starting in 2018 and continuing in perpetuity (subject to
9 the limits of the Automatic Termination in Section 4.7), Plaintiff commits to provide at least 24
10 Opportunities annually for access to Hollister Ranch for the Tidepool School Program.

11 4.3 Non-Profit Access Program: Starting in 2019 and continuing in perpetuity (subject
12 to the limits of the Automatic Termination in Section 4.7), Plaintiff commits to provide at least
13 seven Opportunities annually for access to Hollister Ranch under the Non-Profit Access Program
14 (in addition to the Tidepool School Program Opportunities). Within five years of the Effective
15 Date and subject to Sections 4.5 and 4.6 below, Stipulating Parties commit to increase the
16 Opportunities for Non-Profit Access Program in a phased manner to a total of 20 Opportunities per
17 year, at least seven of which will be scheduled for weekend days. Plaintiff will host Approved
18 Non-Profit Groups on beaches with appropriate facilities and features. The duration of the
19 Opportunities offered by Plaintiff in the Non-Profit Access Program shall be at least four hours,
20 but if the Approved Non-Profit Group does not utilize the entire time offered, Plaintiff will receive
21 credit for offering the Opportunity. The duration of an Opportunity is measured between entry and
22 exit from the Hollister Ranch gate. Any organization participating in the Hollister Ranch
23 Managed Access Program must provide transportation to and from the Hollister Ranch, support
24 and event management, supervision of participants to ensure safety and preservation of Hollister
25 Ranch resources, certificate of proof of insurance coverage (as approved by Plaintiff and
26 equivalent to at least \$1,000,000 in liability in 2017), and clean-up services to the satisfaction of
27 the Plaintiff.

1 4.4 In 2018, Plaintiff shall conduct baseline survey of resources and facilities that will
2 be used or affected by the Hollister Ranch Managed Program and shall obtain and establish any
3 staffing, support services, infrastructure, and procedures it deems necessary to implement the Non-
4 Profit Access Program on an ongoing basis.

5 4.5 The Coastal Conservancy and Plaintiff shall meet annually to discuss the Hollister
6 Ranch Managed Access Program (i.e., the number of events, public solicitation process,
7 participating entities, and numbers of participants) and coordinate regarding any modifications that
8 may be needed to the program to reach the level of public participation described herein. At that
9 meeting the Coastal Conservancy and Plaintiff shall evaluate the impacts associated with the
10 intensity of use from the implementation of this Hollister Ranch Managed Access Program to
11 important resources (i.e., environmental, coastal, cultural, and agricultural resources) at Hollister
12 Ranch. Based on that evaluation, in an attempt to reduce potential impacts, the Coastal
13 Conservancy and Plaintiff may agree to modify the activities or reduce the Opportunities
14 associated with the Hollister Ranch Managed Access Program.

15 4.6 The Hollister Ranch Managed Access Program shall be funded with Coastal
16 Conservancy funds collected through the Hollister Ranch in-lieu fee program and other funding
17 sources that support increased public access to the California coast and to Hollister Ranch. The
18 Coastal Commission and Coastal Conservancy will make good faith efforts to support the funding
19 of the Hollister Ranch Managed Access Program (including Coastal Resources Enhancement Fund
20 (CREF) funding).

21 4.7 The Plaintiff's commitment to host a Hollister Ranch Managed Access Program
22 shall automatically terminate if and when any public entity initiates the condemnation process for
23 any property within Hollister Ranch for the purposes of obtaining (a) public access or recreational
24 use or (b) facilities associated with public access (Automatic Termination) by filing a
25 condemnation action in court. Upon Automatic Termination, Plaintiff shall be entitled to deliver
26 to the State notice of termination of the Hollister Ranch Managed Access Program in its entirety,
27 and this notice shall not constitute a violation of any State law, including the California Coastal
28 Act.

WHEREAS, the owners of all the properties within the Ranch share easements over the Ranch Parcel 104 (more particularly described on Exhibit B), which is owned in fee by the Licensor (**Beach Parcel**).

WHEREAS, in October 1980, the Commission approved the issuance of Coastal Development Permit No. 309-05 subject to certain conditions that Commission staff determined were satisfied by the Young Men's Christian Association of Metropolitan Los Angeles (YMCA) when the YMCA executed on March 11, 1982 an Irrevocable Offer to Dedicate and Covenant Running with the Land, recorded on April 28, 1982 as Instrument No. 82-17113 of the Official Records, County of Santa Barbara (**Offer to Dedicate**).

WHEREAS, on April 26, 2013, the Conservancy recorded a Certificate of Acceptance as Instrument No. 2013-0028299 of the Official Records, County of Santa Barbara (**Certificate of Acceptance**). The purpose of the Certificate of Acceptance was to accept the **Offer to Dedicate** that offered various public access easements in and on the Ranch.

WHEREAS, on May 31, 2013, Licensor, along with other Plaintiffs, filed a Complaint for Quiet Title, Declaratory and Injunctive Relief and Other Relief in the Superior Court of the State of California for Santa Barbara County against the State in the case of *Pappas, et al. v.*

State of California, et al., Case no. 1417388 (Lawsuit).

WHEREAS, on _____, Licensors, along with the other Plaintiffs, reached a settlement agreement with the State in the Lawsuit, by which Licensors agreed to grant a limited license to the State for the purpose of public access.

WHEREAS, pursuant to such settlement agreement, Licensors has agreed to license to the Conservancy, for the benefit of the People of the State of California (collectively, the **Licensees**) the right to use a portion of the Beach Parcel more particularly described in attached Exhibit C (License Area), subject to the provisions of this Agreement as set forth below. Under no circumstances is any public access granted by this License outside of property owned by Plaintiff or landward of the railroad right of way or outside of the License Area.

WHEREAS, Licensors has the requisite power and authority to enter into this Agreement and grant this License.

NOW, THEREFORE, for valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the Parties agree as follows:

1. Grant of License and Conditions Precedent to Effectiveness of the Grant.

Licensors grants to Licensees a non-exclusive license (**License**), pursuant to the terms of this Agreement and the Use Restrictions (defined below) contained herein, for passive recreational use of the License Area (and for no other purpose). Passive recreational use means activities normally associated with beach use (e.g. walking, swimming, jogging, sunbathing, and surfing), and does not include any uses prohibited by other provisions of this License. Access to other areas of the Ranch is not permitted under this License Agreement.

2. Use of License Area by Licensees. The following restrictions shall apply to use of the License Area under this License by Licensees (**Use Restrictions**).

(i) Licensees may access the License Area from the ocean only. Licensees shall not be permitted to access or enter any other portion of the Ranch to reach the License Area.

(ii) Licensees may access and use the License Area only between the hours of sunrise and sunset, as published by the United States Naval Observatory.

(iii) No overnight camping shall be permitted in the License Area.

(iv) No commercial activities shall be permitted on the License Area. "Commercial activities" include (a) the sale or rental of goods or services, (b) the storage of materials or erection of temporary structures associated with the commercial operation, and (c) commercial activities inconsistent with the Purpose of this License. This provision does not prohibit transporting members of the public to the License Area in vessels that are allowed to be temporarily parked in the License Area pursuant to Paragraph 2(xiii) of this License. In the event Licensors determines that a particular use is a "commercial use" prohibited by this provision, and the Executive Officer of the Conservancy disagrees with that determination, and

the Parties are unable to reach a compromise, the Parties agree that any such dispute shall be resolved by mediation.

(v) No fires, smoking, fireworks, barbeques, flammable liquids, weapons, glass containers, shooting, hunting, or cooking shall be permitted on the License Area.

(vi) No use of unmanned flying devices, including, but not limited to, drones, shall be permitted on the License Area.

(vii) No urination, defecation, or nudity shall be permitted on the License Area.

(viii) No objects shall be removed from the License Area, including, but not limited to, sand, shells, habitat resources or species, and archaeological and cultural resources.

(ix) No alcohol shall be permitted on the License Area.

(x) No littering shall be permitted on the License Area.

(xi) No animals shall be permitted on the License Area except as provided by law, such as leashed service or guide dogs.

(xii) Licensees shall respect and not disturb any natural resources, sensitive habitats, and scientific study areas.

(xiii) Licensees shall not be permitted to use or park motorized vehicles, horses, bicycles, boats, water craft, or similar items on the License Area, provided that Licensees may temporarily park or use surfboards, paddleboards, kayaks not to exceed 16 feet in length and soft bottomed boats not to exceed 12 feet in length to access the License Area.

(xiv) Licensees must comply with all State, Federal, and Local statutes, regulations, and ordinances.

3. Enforcement of the Use Restrictions. Any violations of the Use Restrictions shall constitute a trespass, which shall be enforceable through 1) a warning issued by Licensor's private security or 2) if the warning is not complied with or ignored a second time, ejection by public law enforcement and shall be subject to any applicable penalties. Licensor shall report in writing any violations to the Commission and Conservancy within 10 days of the violation. Any individual Licensee who violates the Use Restrictions more than three times in twelve months may be barred from using the License Area by Licensor for a period of time reasonably proportional to the severity of the violations. Any commercial operation that has employees which violate the Use Restrictions or that brings members of the public to the License Area which violate the Use Restrictions more than three times in twelve months may be barred from bringing members of the public to the License Area by the Licensor for a period of time reasonably proportional to the severity of the violations. The Licensor shall report its decision to the Executive Director of the Commission and the Executive Officer of the Conservancy who

may (a) object within 30 days on the ground that the duration of the prohibition is excessive and (b) propose an alternative to barring the individual from or the commercial operation's use of the License Area. In the event that Licensor disputes the Executive Director's or Executive Officer's decision and the Parties are unable to reach a compromise, the Parties hereto agree that any such dispute shall be resolved by mediation. If mediation does not resolve the matter, either Party may bring the dispute to the Court. Judicial review of the dispute will be *de novo* and any judicial determination will be based on the severity of the violations of the Use Restrictions and the totality of the circumstances, relying on the plain language of the License supported by established principles of contract interpretation. The Court may not award monetary damages.

4. **Warning to Licensees.** The License Area includes tides, waves, currents, rocks, predators and other dangerous organisms, falling rocks from coastal bluffs, unstable soils, rocks, seawalls and other improvements, cliff erosion, and other coastal hazards that may be dangerous to Licensees. Licensees shall use and access the License Area at their own risk. In accepting the benefits of this License, Licensees waive any claims for death or bodily injury against Licensor and its member, officers, agents, and contractors, other than claims arising out of intentional conduct or gross negligence of Licensor.

5. **Licensor's Use of the License Area.** The Parties agree that this is a non-exclusive License, and Licensor reserves the right to use the License Area for any purpose and to convey use and access rights to others. In the event Licensor conveys use and access rights to others, Licensor shall require those others to share equally in the maintenance costs. Notwithstanding the foregoing, Licensor and any others to whom it conveys use or access rights shall not interfere with Licensees' use of the License Area.

6. **Civil Code Section 846.** It is the Parties' intention that Civil Code Section 846 will apply to the License Area and Licensees' recreational use of the License Area.

7. **Purpose of the License.** The purpose of this License and its Use Restrictions is to grant public access to a portion of the Hollister Ranch beach consistent with public safety needs and the need to protect public rights, rights of private property owners, cultural resources, and natural resources from over use.

8. **State's Agreement to Indemnify Licensor.** During the term of this License and to the extent permitted by law, the Conservancy shall indemnify, defend, protect, and hold Licensor and Licensor's members, employees, contractors, and agents (Indemnified Parties) harmless from and against any and all claims, proceedings, lawsuits, liabilities, or damages (Damages), that arise out of, or relate to, use or attempted use of the License Area by Licensees pursuant to this Agreement, except to the extent that such Damages arise from Indemnified Parties' negligence or willful misconduct. In the event that any Damages are caused by the joint negligence of Indemnified Parties and any other entity, the Conservancy's indemnification and defense obligations contained herein shall be proportionally reduced based on the Indemnified Parties' percentage of fault, as determined by a court of competent jurisdiction.

9. **Licensor's Agreement to Indemnify State.** During the term of this License and to the extent permitted by law, Licensor shall indemnify, defend, protect, and hold the State and State's employees, contractors, and agents harmless from and against any and all Damages that arise from Licensor's willful or malicious failure to guard against a dangerous condition, use, structure or activity within the License Area related in any way to the access granted by this License.

10. **Maintenance and Assignment.** The Conservancy and Licensor shall share in maintenance costs associated with Licensee's use of the License Area. Subject to the prior written approval of Licensor, the State may transfer or assign this License (including all rights and obligations contained herein) or any of the State's duties and obligations hereunder to California Department of Parks and Recreation, the County of Santa Barbara, or to a non-profit with history of or strong potential for effective collaboration with Hollister Ranch, whose purposes are consistent with the purposes of this License. This License is otherwise not assignable by the State, and any attempt to assign or transfer this License shall terminate it.

11. **Permissive Use Only.** This license is entered into in accordance with Civil Code Section 813. The right of Licensees to make any use whatsoever of the License Area, or any portion thereof (in addition to or other than the uses permitted herein), shall be deemed permission from, and subject to control of, Licensor. The Licensor shall exercise its control in a manner that is consistent with the terms of this License. This License is not a grant of easement rights, dedication, or an agreement to adjust any property lines of record.

12. **Signs and Fencing; Public Notice.** Prior to the opening of the License Area for public use, Licensor and the State shall prepare and implement a Fencing and Sign plan. This Fencing and Sign plan, which must be approved by the Commission and Licensor, shall describe proposed development on or near the License Area that will facilitate safe and appropriate use by the public and protect private property. This development will include fencing to prevent trespass and signage detailing Use Restrictions, demarcation of boundaries of the License Area, warnings about the location of sensitive natural resources, and warnings about certain unsafe conditions.

13. **Termination.** This License shall automatically terminate if and when any public entity initiates the condemnation process for any property within the Ranch for the purposes of obtaining (a) public access or recreational use or (b) facilities associated with public access (**Automatic Termination**) by filing a condemnation action in court. Upon Automatic Termination, Licensor shall be entitled to deliver to the State a notice of revocation under Civil Code Section 813 or any other applicable law, and no such notice of revocation shall constitute a violation of any State law, including the California Coastal Act. With the exception of an Automatic Termination as provided in this Section 13, this License shall be irrevocable.

14. **Violation of Agreement.** If Licensor, its members, guests or private security engages in conduct that substantially prevents Licensee's use of the License Area as authorized by this Agreement, such conduct shall be deemed a violation of this Agreement. If Licensor, its members, guests, or private security fails to remedy such violation, such violation shall be

enforceable against the offending Licensor, member, guest or private security as a violation of the Coastal Act and any other applicable laws. Any penalties or enforcement under this provision shall be consistent with the requirements and procedures of the Coastal Act.

15. Miscellaneous Provisions

15.6 Time is of the Essence. Time is of the essence with respect to the performance of every provision of this Agreement in which time of performance is a factor.

15.7 Severability. If any term or provision of this Agreement shall be held invalid or unenforceable to any extent under any applicable law by a court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby, and each remaining term and provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

**QUITCLAIM AND EXTINGUISHMENT OF OFFER TO DEDICATE AND
ABANDONMENT OF CERTIFICATE OF ACCEPTANCE**

Assessor's Parcel Numbers: [See Exhibit A attached]

This Quitclaim and Extinguishment of Offer to Dedicate and Abandonment of Certificate of Acceptance ("Quitclaim") is made this ____ day of _____, 2017 by the HOLLISTER RANCH OWNERS' ASSOCIATION ("HROA"), a non-profit mutual benefit corporation and the STATE COASTAL CONSERVANCY, an agency of the State of California, and the CALIFORNIA COASTAL COMMISSION, an agency of the State of California (collectively, the "State").

Whereas, Hollister Ranch consists of approximately 14,500 acres of land along the Santa Barbara coast. In 1970, Hollister Ranch was subdivided into 135 parcels, each approximately 100 acres. After 1970, Parcel 136 was annexed as part of Hollister Ranch (collectively, the 136 properties are referred to herein as the "Hollister Ranch Properties"). 133 of these 136 parcels are privately owned by members of the HROA (the "Members"). There are an estimated 1,100 Members of the HROA. The HROA owns three of the 136 parcels.

Whereas, the Hollister Ranch Properties are more fully described in Exhibit A.

Whereas, in October 1980, the California Coastal Commission approved the issuance of Coastal Development Permit No. 309-05 subject to certain conditions that the Commission determined were satisfied by the Young Men's Christian Association of Metropolitan Los Angeles ("YMCA") when the YMCA executed on March 11, 1982 an Irrevocable Offer to Dedicate and Covenant Running with the Land, recorded on April 28, 1982 as Instrument No. 82-17113 of the Official Records, County of Santa Barbara ("Offer to Dedicate").

Whereas, on April 26, 2013, State Coastal Conservancy recorded a "Certificate of Acceptance" as Instrument No. 2013-0028299 of the Official Records, County of Santa Barbara. The purpose of the Certificate of Acceptance was to accept the Offer to Dedicate.

Whereas, each of the alleged Access Easements described in the Certificate of Acceptance or Offer to Dedicate would burden property owned by HROA and the Members.

Whereas, on May 31, 2013, HROA and the Members filed a Complaint for Quiet Title, Cancellation, Declaratory and Injunctive Relief, Petition for Writ of Mandate and Other Relief in the Superior Court of the State of California for Santa Barbara County against the State and all persons unknown claiming any legal or equitable right, title, estate lien, or interest in the Properties adverse to HROA and the Member's title, or any cloud on their title thereto (the "Action").

Whereas, as part of the settlement of the Action, the State intends to extinguish, disavow, abandon, cancel, and disclaim the Offer to Dedicate and Certificate of Acceptance and to quitclaim any alleged right, title, and interest in the Hollister Ranch Properties pursuant to the Offer to Dedicate and Certificate of Acceptance in consideration of the HROA's provision of the Public Access License Agreement and Hollister Ranch Managed Access Program.

NOW, THEREFORE, pursuant to the Judgment recorded concurrently herewith, the State does hereby: 1) extinguish and abandon the Offer to Dedicate and Certificate of Acceptance; and 2) with the exception of the License granted by HROA to the State over Parcel 104 (attached hereto as Exhibit B), REMISE, RELEASE and FOREVER QUITCLAIM unto HROA and the Members, all rights, title, and interest it may have in the Hollister Ranch Properties pursuant to the Offer to Dedicate and Certificate of Acceptance.

This Quitclaim shall be effective only upon recordation in the Official Records of the County of Santa Barbara, State of California. This Quitclaim may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. The execution pages of counterparts may be attached to any one copy of this Quitclaim to form a single, complete document.

IN WITNESS WHEREOF, the Parties hereto have caused this instrument to be executed this ____ day of _____, 2017.

PUBLIC ACCESS LICENSE AGREEMENT

APN:

THIS LICENSE AGREEMENT (Agreement) is made and entered into this ___ day of _____, 2017 (**Effective Date**), by and between the **Hollister Ranch Owners' Association**, a California a non-profit mutual benefit corporation (**Licensor**), and the **California Coastal Commission (Commission)**, an agency of the State of California and the **State of California Coastal Conservancy (Conservancy)**, an agency of the State of California (the Commission and the Conservancy are referred to herein as **State**). Licensor and State are sometimes in this Agreement referred to individually as a **Party** and together as the **Parties**.

RECITALS

WHEREAS, Hollister Ranch is an approximately 14,500-acre common interest development in Santa Barbara County, more particularly described on Exhibit A (Ranch).

WHEREAS, the owners of all the properties within the Ranch share easements over the Ranch Parcel 104 (more particularly described on Exhibit B), which is owned in fee by the Licensor (**Beach Parcel**).

WHEREAS, in October 1980, the Commission approved the issuance of Coastal Development Permit No. 309-05 subject to certain conditions that Commission staff determined were satisfied by the Young Men's Christian Association of Metropolitan Los Angeles (YMCA) when the YMCA executed on March 11, 1982 an Irrevocable Offer to Dedicate and Covenant Running with the Land, recorded on April 28, 1982 as Instrument No. 82-17113 of the Official Records, County of Santa Barbara (**Offer to Dedicate**).

WHEREAS, on April 26, 2013, the Conservancy recorded a Certificate of Acceptance as Instrument No. 2013-0028299 of the Official Records, County of Santa Barbara (**Certificate of Acceptance**). The purpose of the Certificate of Acceptance was to accept the **Offer to Dedicate** that offered various public access easements in and on the Ranch.

WHEREAS, on May 31, 2013, Licensor, along with other Plaintiffs, filed a Complaint for Quiet Title, Declaratory and Injunctive Relief and Other Relief in the Superior Court of the State of California for Santa Barbara County against the State in the case of *Pappas, et al. v.*

State of California, et al., Case no. 1417388 (**Lawsuit**).

WHEREAS, on _____, Licensor, along with the other Plaintiffs, reached a settlement agreement with the State in the Lawsuit, by which Licensor agreed to grant a limited license to the State for the purpose of public access.

WHEREAS, pursuant to such settlement agreement, Licensor has agreed to license to the Conservancy, for the benefit of the People of the State of California (collectively, the **Licensees**) the right to use a portion of the Beach Parcel more particularly described in attached Exhibit C (**License Area**), subject to the provisions of this Agreement as set forth below. Under no circumstances is any public access granted by this License outside of property owned by Plaintiff or landward of the railroad right of way or outside of the License Area.

WHEREAS, Licensor has the requisite power and authority to enter into this Agreement and grant this License.

NOW, THEREFORE, for valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the Parties agree as follows:

1. Grant of License and Conditions Precedent to Effectiveness of the Grant.

Licensor grants to Licensees a non-exclusive license (**License**), pursuant to the terms of this Agreement and the Use Restrictions (defined below) contained herein, for passive recreational use of the License Area (and for no other purpose). Passive recreational use means activities normally associated with beach use (e.g. walking, swimming, jogging, sunbathing, and surfing), and does not include any uses prohibited by other provisions of this License. Access to other areas of the Ranch is not permitted under this License Agreement.

2. Use of License Area by Licensees. The following restrictions shall apply to use of the License Area under this License by Licensees (**Use Restrictions**).

(i) Licensees may access the License Area from the ocean only. Licensees shall not be permitted to access or enter any other portion of the Ranch to reach the License Area.

(ii) Licensees may access and use the License Area only between the hours of sunrise and sunset, as published by the United States Naval Observatory.

(iii) No overnight camping shall be permitted in the License Area.

(iv) No commercial activities shall be permitted on the License Area. "Commercial activities" include (a) the sale or rental of goods or services, (b) the storage of materials or erection of temporary structures associated with the commercial operation, and (c) commercial activities inconsistent with the Purpose of this License. This provision does not prohibit transporting members of the public to the License Area in vessels that are allowed to be temporarily parked in the License Area pursuant to Paragraph 2(xiii) of this License. In the event Licensor determines that a particular use is a "commercial use" prohibited by this provision, and the Executive Officer of the Conservancy disagrees with that determination, and

the Parties are unable to reach a compromise, the Parties agree that any such dispute shall be resolved by mediation.

(v) No fires, smoking, fireworks, barbeques, flammable liquids, weapons, glass containers, shooting, hunting, or cooking shall be permitted on the License Area.

(vi) No use of unmanned flying devices, including, but not limited to, drones, shall be permitted on the License Area.

(vii) No urination, defecation, or nudity shall be permitted on the License Area.

(viii) No objects shall be removed from the License Area, including, but not limited to, sand, shells, habitat resources or species, and archaeological and cultural resources.

(ix) No alcohol shall be permitted on the License Area.

(x) No littering shall be permitted on the License Area.

(xi) No animals shall be permitted on the License Area except as provided by law, such as leashed service or guide dogs.

(xii) Licensees shall respect and not disturb any natural resources, sensitive habitats, and scientific study areas.

(xiii) Licensees shall not be permitted to use or park motorized vehicles, horses, bicycles, boats, water craft, or similar items on the License Area, provided that Licensees may temporarily park or use surfboards, paddleboards, kayaks not to exceed 16 feet in length and soft bottomed boats not to exceed 12 feet in length to access the License Area.

(xiv) Licensees must comply with all State, Federal, and Local statutes, regulations, and ordinances.

3. Enforcement of the Use Restrictions. Any violations of the Use Restrictions shall constitute a trespass, which shall be enforceable through 1) a warning issued by Licensor's private security or 2) if the warning is not complied with or ignored a second time, ejection by public law enforcement and shall be subject to any applicable penalties. Licensor shall report in writing any violations to the Commission and Conservancy within 10 days of the violation. Any individual Licensee who violates the Use Restrictions more than three times in twelve months may be barred from using the License Area by Licensor for a period of time reasonably proportional to the severity of the violations. Any commercial operation that has employees which violate the Use Restrictions or that brings members of the public to the License Area which violate the Use Restrictions more than three times in twelve months may be barred from bringing members of the public to the License Area by the Licensor for a period of time reasonably proportional to the severity of the violations. The Licensor shall report its decision to the Executive Director of the Commission and the Executive Officer of the Conservancy who

may (a) object within 30 days on the ground that the duration of the prohibition is excessive and (b) propose an alternative to barring the individual from or the commercial operation's use of the License Area. In the event that Licensor disputes the Executive Director's or Executive Officer's decision and the Parties are unable to reach a compromise, the Parties hereto agree that any such dispute shall be resolved by mediation. If mediation does not resolve the matter, either Party may bring the dispute to the Court. Judicial review of the dispute will be *de novo* and any judicial determination will be based on the severity of the violations of the Use Restrictions and the totality of the circumstances, relying on the plain language of the License supported by established principles of contract interpretation. The Court may not award monetary damages.

4. **Warning to Licensees.** The License Area includes tides, waves, currents, rocks, predators and other dangerous organisms, falling rocks from coastal bluffs, unstable soils, rocks, seawalls and other improvements, cliff erosion, and other coastal hazards that may be dangerous to Licensees. Licensees shall use and access the License Area at their own risk. In accepting the benefits of this License, Licensees waive any claims for death or bodily injury against Licensor and its member, officers, agents, and contractors, other than claims arising out of intentional conduct or gross negligence of Licensor.

5. **Licensor's Use of the License Area.** The Parties agree that this is a non-exclusive License, and Licensor reserves the right to use the License Area for any purpose and to convey use and access rights to others. In the event Licensor conveys use and access rights to others, Licensor shall require those others to share equally in the maintenance costs. Notwithstanding the foregoing, Licensor and any others to whom it conveys use or access rights shall not interfere with Licensees' use of the License Area.

6. **Civil Code Section 846.** It is the Parties' intention that Civil Code Section 846 will apply to the License Area and Licensees' recreational use of the License Area.

7. **Purpose of the License.** The purpose of this License and its Use Restrictions is to grant public access to a portion of the Hollister Ranch beach consistent with public safety needs and the need to protect public rights, rights of private property owners, cultural resources, and natural resources from over use.

8. **State's Agreement to Indemnify Licensor.** During the term of this License and to the extent permitted by law, the Conservancy shall indemnify, defend, protect, and hold Licensor and Licensor's members, employees, contractors, and agents (Indemnified Parties) harmless from and against any and all claims, proceedings, lawsuits, liabilities, or damages (Damages), that arise out of, or relate to, use or attempted use of the License Area by Licensees pursuant to this Agreement, except to the extent that such Damages arise from Indemnified Parties' negligence or willful misconduct. In the event that any Damages are caused by the joint negligence of Indemnified Parties and any other entity, the Conservancy's indemnification and defense obligations contained herein shall be proportionally reduced based on the Indemnified Parties' percentage of fault, as determined by a court of competent jurisdiction.

9. **Licensor's Agreement to Indemnify State.** During the term of this License and to the extent permitted by law, Licensor shall indemnify, defend, protect, and hold the State and State's employees, contractors, and agents harmless from and against any and all Damages that arise from Licensor's willful or malicious failure to guard against a dangerous condition, use, structure or activity within the License Area related in any way to the access granted by this License.

10. **Maintenance and Assignment.** The Conservancy and Licensor shall share in maintenance costs associated with Licensee's use of the License Area. Subject to the prior written approval of Licensor, the State may transfer or assign this License (including all rights and obligations contained herein) or any of the State's duties and obligations hereunder to California Department of Parks and Recreation, the County of Santa Barbara, or to a non-profit with history of or strong potential for effective collaboration with Hollister Ranch, whose purposes are consistent with the purposes of this License. This License is otherwise not assignable by the State, and any attempt to assign or transfer this License shall terminate it.

11. **Permissive Use Only.** This license is entered into in accordance with Civil Code Section 813. The right of Licensees to make any use whatsoever of the License Area, or any portion thereof (in addition to or other than the uses permitted herein), shall be deemed permission from, and subject to control of, Licensor. The Licensor shall exercise its control in a manner that is consistent with the terms of this License. This License is not a grant of easement rights, dedication, or an agreement to adjust any property lines of record.

12. **Signs and Fencing; Public Notice.** Prior to the opening of the License Area for public use, Licensor and the State shall prepare and implement a Fencing and Sign plan. This Fencing and Sign plan, which must be approved by the Commission and Licensor, shall describe proposed development on or near the License Area that will facilitate safe and appropriate use by the public and protect private property. This development will include fencing to prevent trespass and signage detailing Use Restrictions, demarcation of boundaries of the License Area, warnings about the location of sensitive natural resources, and warnings about certain unsafe conditions.

13. **Termination.** This License shall automatically terminate if and when any public entity initiates the condemnation process for any property within the Ranch for the purposes of obtaining (a) public access or recreational use or (b) facilities associated with public access (**Automatic Termination**) by filing a condemnation action in court. Upon Automatic Termination, Licensor shall be entitled to deliver to the State a notice of revocation under Civil Code Section 813 or any other applicable law, and no such notice of revocation shall constitute a violation of any State law, including the California Coastal Act. With the exception of an Automatic Termination as provided in this Section 13, this License shall be irrevocable.

14. **Violation of Agreement.** If Licensor, its members, guests or private security engages in conduct that substantially prevents Licensee's use of the License Area as authorized by this Agreement, such conduct shall be deemed a violation of this Agreement. If Licensor, its members, guests, or private security fails to remedy such violation, such violation shall be

enforceable against the offending Licensor, member, guest or private security as a violation of the Coastal Act and any other applicable laws. Any penalties or enforcement under this provision shall be consistent with the requirements and procedures of the Coastal Act.

15. Miscellaneous Provisions

15.1 Enjoyment of License Area by Licensee. It is expressly acknowledged and agreed by the Parties that no additional access to the License Area or construction of temporary or permanent facilities on the License Area is necessary or incidental to the use or enjoyment of the License by Licensee.

15.2 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

15.3 Heading and Titles. The captions of the articles or sections of this Agreement are only to assist the parties in reading this Agreement and shall have no effect upon the construction or interpretation of any part hereof.

15.4 Binding Agreement. This Agreement and all of its provisions shall be binding upon the Parties, their assigns, and successors-in-interest, as applicable.

15.5 Interpretation. Whenever required by the context of this Agreement, the singular shall include the plural and the plural shall include the singular. The masculine, feminine and neuter genders shall each include the other. In any provision relating to the obligations, conduct, acts or omissions of Licensor or State, the terms "Licensor" or "State" shall include Licensor's or State's officers, agents, employees, contractors, successors, subtenants or assigns. This Agreement shall be construed as though mutually drafted by Licensor and State.

15.6 Time is of the Essence. Time is of the essence with respect to the performance of every provision of this Agreement in which time of performance is a factor.

15.7 Severability. If any term or provision of this Agreement shall be held invalid or unenforceable to any extent under any applicable law by a court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby, and each remaining term and provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

15.8 Integration and Amendment. This instrument constitutes the entire agreement between Licensor and State relative to the subject matter hereof. This Agreement supersedes any prior agreements, negotiations and communications, verbal or written, between Licensor and State pertaining to the issues herein. This instrument may be amended only by an instrument in writing signed by both Licensor and State.

15.9 Incorporation of Recitals. The introductory recitals set forth above from the material part of this Agreement are incorporated by reference.

15.10 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

15.11 Exhibits. All exhibits attached to this Agreement are incorporated herein by reference as though fully set forth.

15.12 Jurisdiction and Venue. All Parties to this Agreement hereby agree that, unless the other party consents to or chooses another forum, the state with jurisdiction over any disputes arising out of or relating to this Agreement shall be California, and the sole location for proper venue shall be in Santa Barbara County, California.

15.13 Continuing Jurisdiction. The Court shall retain jurisdiction over the Parties to enforce the terms of, administration, and determination of any controversies relating to the License Agreement, and any and all claims asserted in, arising out of, or related to the subject matter of the lawsuit, in accordance with the provisions of section 664.6 of the Code of Civil Procedure.
