

## Commission Actions on University Public Works Plan, Long-Range Development Plan, and NOID Housing Submittals (updated June 2026)

The table below lists actions taken by the Commission on Public Works Plans (PWP), Long-Range Development Plans (LRDPs), amendments to PWP and LRDPs, and Notices of Impending Development (NOIDs) submitted by a state university or college or private university since January 1, 2026 that are related to housing, as required by [Assembly Bill 357](#) (Chapter 256, Statutes of 2025). This table provides general information about the submittal type, the proposed plan, amendment or project, major milestones reached in the Commission’s approval process, and the length of time from filing of the submittal to final Commission action on the item. Please see the links to the related Commission staff report and exhibits for additional details regarding the submittal and conditions of approval, if any.

See the [Pending PWP, LRDP, and NOID Report](#) (updated monthly) for a list of all pending PWP, LRDP, and NOID submittals, including housing-related submittals.
