FULL STACK WEB DEVELOPER
INFORMATION TECHNOLOGY ASSOCIATE
OR
INFORMATION TECHNOLOGY SPECIALIST I
SAN FRANCISCO
FULL-TIME, PERMANENT POSITION

The California Coastal Commission is seeking a talented addition to its San Francisco Office. The Commission is a small State agency that is charged with protecting coastal resources through implementation of the Coastal Act. The mission of the Commission is to provide for the balanced use of the coastal zone and to protect, restore, and enhance coastal and marine resources for the continuing benefit of current and future generations. Employees at the Commission enjoy working on a broad range of issues to plan for and manage coastal land uses while protecting important coastal resources including wetlands, habitats that support rare and endangered species, scenic landscapes and views to the sea, public shoreline access and recreation opportunities. The Commission's staff includes dedicated planners, scientists, attorneys, and administrative staff.

DUTIES AND RESPONSIBILITIES:
The California Coastal Commission is offering an exciting opportunity to support the protection and preservation of California's dramatic and resource-rich coast. The Commission is seeking a self-motivated lead for Website support. Under the general supervision of the Information Systems Supervisor, the incumbent works independently and as a member of the information systems team to lead development and enhancement of websites and interactive web applications; develop, support and integrate social media platforms into the Commission's web applications; maintain Internet and Intranet servers; and support the Commission's web posting and meeting agenda publication process. This is an exciting opportunity to apply your study, training and experience in a dynamic environment supporting California's coastal management program.

Duties will be adjusted depending upon the level at which the position is filled.

DESIRABLE QUALIFICATIONS:

Knowledge of:
- HTML, CSS, JavaScript, and PHP
- Angular.js, Express.js, and WordPress
- Node.js, Microsoft IIS, and Apache web servers
- Oracle and MySQL databases
- Accessibility, Security, and Web Standards

Skills:
- Web and graphic design
- Project management
- API integration

Ability to:
- Design, develop, maintain, and deploy Public and Internal web sites and applications

_____

- Establish and maintain effective working relationships with content owners across the agency's program staff
- Effective communication, at all levels
- Work with minimal supervision
- Exercise independent initiative and judgment
- Identify, analyze and resolve complex opportunities
- Transform a concept into design and implementation
- Make presentations to small and large audiences

ELIGIBILITY:
Individuals on the Information Technology Associate or Information Technology Specialist I eligible list may apply. **See examination listings at www.jobs.ca.gov for minimum qualifications and to take the appropriate examination.** Current State employees or former State employees with transfer or reinstatement rights to these classes may also apply. Appointment is subject to the State Restrictions of Appointment (SROA) provisions. Applicants must clearly indicate the basis of their eligibility, including SROA, surplus, transfer or re-employment status in the Examination or Job Title section of the State Application Form 678.

SALARY: Information Technology Associate $3,278 - $6,604*
Information Technology Specialist I $4,921 - $7,962*

*Plus a 5% Pay Differential for San Francisco County

CONTACT: Al Wanger, Deputy Director,   (415) 904-5265

FILING:
The position will be open until filled. We would like to fill the position as soon as possible so it is important to file your application immediately. Applications will be screened and only those most qualified will be interviewed. No relocation expenses will be offered. Submit a current resume and a State Application Form 678 (available at www.jobs.ca.gov) to:

Human Resources Office
CALIFORNIA COASTAL COMMISSION
45 Fremont Street, Suite 1930
San Francisco, CA 94105–2219
(415) 904-5430 / toll free: 1-866-831-2540

Please indicate "Information Technology Associate" or "Information Technology Specialist I" in the Examination or Job Title section on the State Application Form 678.
