

## Commission LCP Actions on Short-Term Rentals (through April 2024)

The table below lists the LCP actions taken by the Commission on Short-Term Rentals (STRs) and identifies the general regulatory approach and key regulatory parameters of the Local Coastal Program Amendment (LCPA). This table is intended to provide some background information on STR ordinances that have been considered by the Commission and does not provide a comprehensive view of all the regulatory parameters that may apply in each case. Please use the links to the related Commission staff report and local government ordinance, where available, for additional details.

Note that the checked categories reflect the LCPA **as approved by the Commission**, which includes any suggested modifications that may have been required. LCPAs that were approved as submitted, or denied, are summarized as originally proposed by the local government. The actions in the table are listed by most recent action year. Time extensions for STR-related LCPAs are not included. See the table legend at the end of the table for an explanation of column categories.

## TABLE LEGEND

- **Local Government:** The City or County undertaking the LCP action before the Commission.
- **LCP # and Links:** The LCP Amendment (LCPA) number and link to the Commission staff report. Where *Link to Ordinance* is available, the link takes you directly to the separate, Commission staff report exhibit containing the proposed ordinance.
- **How LCPA Addresses STRs:** Whether the LCPA allows or prohibits non-owner-occupied short-term rentals (e.g., rental of entire residence, where owner is not present on-site) and/or owner-occupied short-term rentals (e.g., home stays and home shares, where owner is present on-site). Note that the checked categories reflect the LCPA as approved by the Commission (e.g., an LCPA that proposes complete prohibition but is modified by the Commission to partial allowance would show *allows* STRs). Where *Not Applicable* is checked for either non-owner-occupied or owner-occupied STRs, the LCPA either clearly distinguished which STR type(s) (owner-occupied and/or non-owner-occupied) was being regulated, or remained silent on one of the STR types being regulated. (For example, the ordinance may have clearly regulated rental of an entire residence as an STR, which is non-owner-occupied, but then did not clearly address other rental aspects such as partial rental of a residence, owner-occupied rental of a residence, etc.)
- **In Which Types of Zone(s):** The relevant category in which the allowance or prohibition of STRs applies. Note that these categories are broad and may reflect allowance or prohibition in only a portion of the checked category (e.g., only in the coastal zone of a particular zone, in certain residential zones but not others).
- **Eligible Structures for STR Use:** The structures where STRs are allowed, if specified in the LCPA.
- **Ineligible Structures for STR Use:** The structures where STRs are prohibited, if specified in the LCPA.
- **Limits on Duration of Stay:** The restrictions on durations of individual stays and/or total stays per year, if specified in the LCPA.
- **Occupancy Limits:** The restrictions on occupancy for individual stays, if specified in the LCPA.
- **STR Caps:** Whether the LCPA includes a cap on the number of STRs allowed, including by Local Jurisdiction (e.g., a cap on the total number of STRs allowed within the local government's jurisdiction) and by Permittee or Parcel (e.g., a cap on the total number of STRs allowed per person legally operating the STR, or by parcel).
- **Other Operational Standards:** Additional operational standards that were included in the adopted LCPA, including:
  - **Parking Requirements:** Does the LCPA include any parking standards specific to STRs?
  - **Noise Restrictions:** Does the LCPA include any noise restrictions specific to STRs?
  - **Property Management:** Does the LCPA include requirements for property management, such as the presence of on-site or proximate management, a complaint response program, providing a good neighbor policy and/or list of rules for renters, notifying nearby neighbors of STR use, etc.?
  - **Enforcement Program:** Does the LCPA include provisions for reporting complaints to the local government, or for violations to lead to penalizations, such as loss of permit for STR operation?
  - **Payment of TOT:** Does the LCPA require payment of transient occupancy taxes as part of the permitting or renting process?
- **Commission Action:** Results of the Commission action on the proposed LCPA.
