**CALIFORNIA COASTAL COMMISSION****CONFLICT OF INTEREST CODE**

The Political Reform Act (Gov. Code, § 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (Cal. Code of Regs., tit. 2, § 18730) that contains the terms of a standard conflict of interest code, which can be incorporated by reference in an agency's code. After public notice and hearing, the standard code may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of Title 2 of the California Code of Regulations section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendices, designating positions and establishing disclosure categories, shall constitute the conflict of interest code of the California Coastal Commission (Commission).

Commission Members, Alternates, and the Executive Director must file their statements of economic interests electronically with the **Fair Political Practices Commission**. All other individuals holding designated positions must file their statements with the **California Coastal Commission**. All statements must be made available for public inspection and reproduction under Government Code Section 81008.
