[1] This number is based on certified segments and will change as the number of segments change.

[2] Excludes Non-LCP areas such as federal lands, tribal lands, UC LRDP areas and Chapter 8 Port districts.

[3] Area of Deferred Certification (ADC): Refers to a geographic area that has not been officially segmented for purposes of LCP preparation and during certification review of the LCP, was not certified. An Uncertified Area may be an area that was created through annexation or was subsequently identified but may not have been included in any LCP segment. The Commission retains permit authority until an LCP is effectively certified for these areas.
