

# California's Critical Coastal Areas

Managing impacts of polluted runoff in key watersheds  
to protect and restore coastal waters

Funding for this project has been provided in part by the U.S. Environmental Protection Agency (U.S. EPA) pursuant to Assistance Agreement Nos. C9-79757514; C9-79757515; C9-79757517, and any amendments thereto which have been awarded to the Water Board for the implementation of California's NPS Program. The content of this document does not necessarily reflect the views and policies of the U.S. EPA or the Water Board, nor does mention of trade names or commercial products constitute endorsement or recommendation for use.
