SUBJECT: Final Commission Action on Port of Los Angeles Port Master Plan
 Amendment No. 14 (Fish Harbor Land Use Modification). (Commission
 meeting of November 14, 1995.)

I. STAFF RECOMMENDATION:

The staff recommends the Commission adopt the following resolution:

ACCEPTANCE.

The Commission hereby accepts the Board of Harbor Commissioners' adoption on September 13, 1995, of Coastal Commission certification of the Port of Los Angeles' Port Master Plan Amendment No. 14.

II. FINDINGS AND DECLARATIONS.

The Commission finds and declares as follows:

A. Port Master Plan Amendment Certification. California Code of Regulations, Title 14, Section 13632(e) states that:

The certification of a port master plan [or amendment] shall not become effective until the port governing body takes formal action adopting such plan [amendment] as certified by the commission and the commission has received notice of such action, including the final EIR adopted for such action and the commission has accepted the formal action as consistent with its certification.

On August 10, 1995, the Commission certified the Port of Los Angeles' Port Master Plan Amendment No. 14 (Fish Harbor Land Use Modification). On September 13, 1995, the Board of Harbor Commissioners of the Port of Los Angeles adopted the Commission's certification of Plan Amendment No. 14. Therefore, the Commission staff recommends that the Commission accept the Board's September 13, 1995, action.
