SUBJECT: Final Commission action on Port of Los Angeles Port Master Plan Amendment No. 15 (Port Landfill Mitigation Credit Account).
(Commission meeting of November 12, 1996.)

I. STAFF RECOMMENDATION:

The staff recommends the Commission adopt the following resolution:

ACCEPTANCE.

The Commission hereby accepts the Board of Harbor Commissioners' adoption on October 16, 1996, of Coastal Commission certification of the Port of Los Angeles' Port Master Plan Amendment No. 15.

II. FINDINGS AND DECLARATIONS.

The Commission finds and declares as follows:

A. Port Master Plan Amendment Certification. California Code of Regulations, Title 14, Section 13632(e) states that:

The certification of a port master plan [or amendment] shall not become effective until the port governing body takes formal action adopting such plan [amendment] as certified by the commission and the commission has received notice of such action, including the final EIR adopted for such action and the commission has accepted the formal action as consistent with its certification.

On October 8, 1996, the Commission certified the Port of Los Angeles' Port Master Plan Amendment No. 15 (Port Landfill Mitigation Credit Account). On October 16, 1996, the Board of Harbor Commissioners of the Port of Los Angeles adopted the Commission's certification of Plan Amendment No. 15. Therefore, the Commission staff recommends that the Commission adopt the Board's October 16, 1996, action.
