BOARD OF

HARBOR COMMISSIONERS

Meeting of MAY 26 1998Action ACCEPTED

DATE May 20, 1998

TO Board of Harbor Commissioners

FROM Geraldine Knatz, Director of Planning

SUBJECT Acceptance of Coastal Commission Certification of Port Master Plan Amendment #11

On March 16, 1998, the Board of Harbor Commissioners adopted the Port Master Plan Amendment #11 for submission to the California Coastal Commission to certify as an amendment to the Master Plan. The Port Master Plan Amendment #11 designates a portion of the Southwest Harbor Planning District as the Western Anchorage Dredged Material Beneficial Re-Use Storage and Disposal Site.

On May 14, 1998, the Coastal Commission approved and certified the Port Master Plan Amendment #11. The Commission made findings that the Amendment conforms with Chapter 8 of the California Coastal Act. The Commission further found that the Amendment will not have any significant adverse effect on the environment, within the meaning of the California Environmental Quality Act (CEQA).

Under the Coastal Commission's administrative regulations, the Board of Harbor Commissioners must take an action accepting the Coastal Commission's certification of the Amendment. We respectfully request that the Board accept the California Coastal Commission's certification of the Port Master Plan Amendment #11 and authorize the Executive Director to transmit notice of such acceptance to the Commission for its acknowledgement.
