Summary and Staff Recommendation:

Staff recommends that the Commission open and continue the public hearing to the Commission's August meeting in Southern California:

Pursuant to Section 13356 of the Coastal Commissions Administrative Regulations, the executive director of the Commission shall set a public works plan for public hearing no later than the 60th day following the date on which the application was filed. The proposed public works plan amendment was received on May 15th and filed on May 22nd in accordance with Section 13354 of the Administrative Regulations. With a view toward allowing adequate public participation and attendance at the hearing pursuant to Section 13356 of the Commission's Administrative Regulations, the applicant has requested that the hearing on this item be opened and continued until the August Commission meeting in southern California.
