Lane Yee, Chief Fiscal & Business Services

Subject: Interagency Agreement with the State Coastal Conservancy to assist in the development of a Conservancy project tracking system/data base

STAFF RECOMMENDATION

The staff recommends that the Commission authorize the Executive Director to enter into an interagency agreement with the State Coastal Conservancy to assist in the development of a Conservancy project tracking system/data base. The total amount of this agreement is not to exceed \$40,000.

Project Description and Summary

The Coastal Conservancy has requested the services of one of our permanent-intermittent staff members to assist the Conservancy in the development of a project tracking system. The Commission's permanent-intermittent employee completed a similar project for the Commission. The Conservancy will reimburse the Commission for all costs of the work of our employee. Commission staff believes that the Conservancy request is one that we can support without any cost to the Commission.
