Re: Secretary's Report

RECORD PACKET COPY

Date: January 23, 2003

The Resources Agency and its departments, boards, commissions and conservancies are involved in a wide variety of ocean and coastal issues. The Secretary's Report will provide a brief update to the Coastal Commissioners on a regular basis on the following issues, as warranted:

- California Ocean Science Trust
- Shoreline Erosion Policy
- California and the World Ocean '02
- State Conservancies: Acquisitions and Projects
- Marine Managed Areas
- National Ocean Policy
- Coastal Wetland Protection and Restoration
- Natural Communities Conservation Planning
- California Legacy Project
- Watershed Stewardship and Initiatives
