

**State Coastal Conservancy Meeting Report****January 27, 2005**

RECORD PACKET COPY

**W18**

The Coastal Conservancy approved the following:

**South Coast**

1. A grant of \$12,972,000 to the Nature Conservancy for the acquisition of approximately 276 acres at Ormond Beach in Ventura County for restoration of wetlands and related habitat.
2. A grant of \$500,000 to the City of San Clemente to construct the San Clemente Coastal Trail and associated beach accessways.
3. A grant of \$287,200 to the City of Laguna Niguel to assist with implementation of the Upper Sulphur Creek Restoration Project in southern Orange County.
4. A grant of \$200,000 to the Southern California Coastal Water Research Project for scientific review of the project alternatives, data collection, and monitoring program associated with the restoration of the Ballona Wetlands in Los Angeles.
5. A grant of \$180,000 to the Resource Conservation District of the Santa Monica Mountains (RCDSMM) for preparation of the Rodeo Grounds berm removal study and a hydrogeological study of lower Topanga Creek in Malibu.
6. A grant of \$100,000 to the City of San Diego to implement a series of Beach Accessibility Improvements, including the continuation of the "Power Beach Chairs" program and the expanded use of portable beach wheelchair ramps, necessary to increase and improve access to city beaches by persons with physical disabilities.

**Central Coast**

7. A grant of \$350,000 to the California State Parks Foundation for the construction of the Año Nuevo Marine Education Center at Año Nuevo State Reserve in San Mateo County.
8. A grant of \$350,000 to the City of Pacifica to design and reconstruct an existing vertical beach and lateral blufftop accessway and to construct a new blufftop trail and park, San Mateo County.

**North Coast**

9. A grant of \$893,000 to the City of Crescent City to implement portions of the Crescent City Coastal Trail, Harbor Trail North Segment, including acquisition of the 1.16-acre Endert Property.
