SUBJECT: Request to Waive Time Limit for City of San Diego LCP Amendment No. 3-05B (Brush Mgmt. Regs) for the Commission Meeting of January 11-13, 2006

On December 1, 2005, the City of San Diego Local Coastal Program (LCP) Amendment #3-05B was filed in the San Diego District office. The amendment involves revisions to the citywide brush management regulations. The proposed amendment will affect the certified LCP implementation plan.

Pursuant to Section 30512 of the Coastal Act, the Commission must act on land use plan amendments within 90 days of complete submittal or filing. Pursuant to Section 30513 of the Coastal Act, the Commission must act on implementation plan amendments within 60 days of filing. Amendments containing both land use and implementation plan components, must be acted upon by the Commission within 90 days of filing. Based on the above-cited time limits, the proposed LCP amendment must be scheduled for review by the Commission at the January 11-13, 2006 meeting. However, Section 30517 of the Coastal Act and Section 13535(c) of the California Code of Regulations state that the Commission may extend for good cause any applicable time limits for a period not to exceed one year.

Commission staff is requesting the time extension due to insufficient staff time to adequately review the amendment and prepare a recommendation. Staff recommends the Commission extend the 60-day time limit for one year. However, it is anticipated that the amendment request may be scheduled for the hearing in February 2006.

**MOTION:**

I move that the Commission extend the 60-day time limit to act on the City of San Diego LCP Amendment No. 3-05B for one year.

**STAFF RECOMMENDATION:**

Staff recommends a YES vote. An affirmative vote of the majority of the Commissioners present is needed to pass the motion.
