**SUBJECT:** Concurrence with the Executive Director's determination that the action of the City of Huntington Beach accepting certification with suggested modifications of Major LCP Amendment No. 2-06 ("Timeshares")) is legally adequate. For Commission review at its October 10-12, 2007 meeting in San Pedro.

**STAFF RECOMMENDATION**

Staff recommends that the Commission concur with the Executive Director's determination that the City's action is legally adequate.

**BACKGROUND**

On July 3, 2006, the City of Huntington Beach submitted Major Local Coastal Program (LCP) Amendment Request No. 2-06 for Commission certification pursuant to City Council Resolution No. 2005-20. Huntington Beach LCPA 2-06 modified the certified Land Use Plan (LUP) and Implementation Plan (IP) by newly allowing limited ownership overnight accommodations within LUP/IP (DTSP) Sub Areas 4C/District 7/Pacific City and 4D/District 9/Waterfront, subject to certain restrictions. On October 12, 2006, the Commission approved the amendment with suggested modifications. Due to the extent of modifications suggested, the six month deadline for the City to adopt the suggested modifications was extended by the Commission on March 14, 2007, making the new deadline for City action and re-submittal to the Commission for concurrence April 10, 2008.

On July 16, 2007, the Huntington Beach City Council adopted Resolution No. 2007-42 acknowledging receipt of the Coastal Commission action and accepting and agreeing to the suggested modifications. Also on July 16, 2007 the City Council adopted Resolution No. 2007-43 amending the Local Coastal Program Coastal Element (Land Use Plan) consistent with the modifications suggested by the Commission. On August 6, 2007 the City Council adopted Ordinance No. 3774 amending the City's Zoning and Subdivision Ordinance (Implementation Plan) by incorporating the modifications suggested by the Commission.

The City has submitted the modifications to the Executive Director for a determination that they are consistent with the Commission's action on October 12, 2006 (see attachment).

As provided in Section 13544 of the California Code of Regulations, the Executive Director must determine whether the City's action is legally adequate and report that determination to the Commission. In this case, the Executive Director has determined that the City's action is legally adequate. Unless the Commission objects to the Executive Director's determination, the certification of Huntington Beach LCP Amendment No. 2-06 shall become effective upon the filing of the required Notice of Certification with the Secretary of Resources as provided in Public Resources Code Section 21080.5(d)(2)(E).

Re: Huntington Beach LCP Major Amendment No. 2-06 ("Timeshares")

Dear Mr. Hess:

In a letter dated April 24, 2007 we notified you that the California Coastal Commission, at its April 11, 2007 meeting in Santa Barbara, adopted revised findings reflecting the Commission's action of October 12, 2006 approving City of Huntington Beach Local Coastal Program Amendment No. 2-06 with modifications. Local Coastal Program (LCP) Amendment No. 2-06 is reflected in City Council Resolution No. 2005-20. The approved amendment, as modified, would allow limited ownership overnight visitor accommodations within limited areas of the Visitor Serving Commercial land use designation and zoning, under specific circumstances.

The Commission approved the LCP amendment subject to suggested modifications. The April 24, 2007 letter indicated that the suggested modifications as approved by the Coastal Commission were attached. However, the suggested modifications that were attached to that letter did not include changes adopted by the Commission via a March 30, 2007 addendum to the Commission's staff report. Please find attached to this letter the suggested modifications as they were adopted by the Coastal Commission at its April 11, 2007 meeting in Santa Barbara. The April 24, 2007 letter is enclosed for your reference.

Thank you for your cooperation and we look forward to working with you and your staff in the future. Please call Meg Vaughn or myself at (562) 590-5071 if you have any questions regarding the modifications required for effective certification of City of Huntington Beach LCP Amendment No. 2-06.

Sincerely,

Coastal Commission and subsequent coastal development permit amendment. However, minor changes that do not conflict with a) - i) above may be processed as an amendment to the coastal development permit, unless it is determined by the Director of Planning that an amendment is not legally required. If there is a section of the Declaration/CC&R's related to amendments, and the statement provided pursuant to this paragraph is not in that section, then the section on amendments shall cross-reference this statement and clearly indicate that it controls over any contradictory statements in the section of the Declaration/CC&R's on amendments.

In all circumstances, the hotel operator shall have full access to the condominiums' reservation and booking schedule so that the operator can fulfill its booking and management obligations hereunder.

- o) The hotel owner/operator shall be required to submit, prior to issuance of a coastal development permit, for the review and approval of the Director of Planning, a Declaration of Restrictions or CC & R's (Covenants, Conditions & Restrictions) either of which shall include:

However, minor changes that do not conflict with a) – m) above may be processed as an amendment to the coastal development permit, unless it is determined by the Director of Planning that an amendment is not legally required. If there is a section of the CC&Rs/Declaration of Restrictions related to amendments, and the statement provided pursuant to this paragraph is not in that section, then the section on amendments shall cross-reference this statement and clearly indicate that it controls over any contradictory statements in the section of the Declaration/CC&R's on amendments.
