Th26b

MEMORANDUM

Prepared August 16, 2007 (for September 6, 2007 Hearing)

To: Coastal Commissioners and Interested Persons
From: Steve Monowitz, District Manager
Mike Watson, Coastal Program Analyst

Subject: Request to extend the time limit for processing City of Pismo Beach Local Coastal Program Major Amendment Number 1-07 (100 Five Cities Drive Mixed Use Development).

Central Coast District staff has received the above-referenced Local Coastal Program (LCP) Amendment request from the City of Pismo Beach to amend the LCP's Implementation Plan (IP).

Coastal Act Section 30510 provides that a proposed LCP (or LCP amendment) submittal must contain materials sufficient for a thorough and complete review. Once that requirement is satisfied, the Coastal Act requires that the Commission act on an Implementation Plan (IP) amendment within 60 days, and a Land Use Plan (LUP) amendment within 90 days (Sections 30512, 30513, and 30514(b)). Where an amendment request contains both IP and LUP amendments, Section 30511(a) of the Coastal Act allows for a 90 day period within which the Commission must act.

Central Coast District staff received the LCP amendment package from the City on July 3, 2007. The amendment request was subsequently filed on July 18, 2007. The 60th day falls on September 16, 2007. Coastal Act Section 30517 allows the Commission to extend, for good cause, the applicable time limit for a period not to exceed one year. In this case, the amendment presents significant Coastal Act issues, for which Commission staff has not yet had sufficient time to analyze. A later meeting date would allow for adequate review and consultation with the City regarding any possible amendment modifications. A one-year extension would result in a new deadline for Commission action on the proposed amendment of July 17, 2008, although staff believes that this matter will be resolved well before the new deadline. It has generally been the Commission's practice to extend such deadlines for a full year as provided by the Coastal Act to allow for flexibility in hearing scheduling (including accommodating any requested or otherwise necessary postponements, continuances, etc.) and in terms of allotting scarce staff resources. Therefore, staff requests an extension of time not to exceed one year.

Summary of the Staff Recommendation

Staff recommends that the Commission extend the 60 day time limit for a period not to exceed one year.

Motion. I move that the Commission extend the 60 day time limit to act on City of Pismo Beach Local Coastal Program Amendment Number 1-07 (Five Cities Drive Mixed Use Development) to July 17, 2008.

Staff Recommendation. Staff recommends a **YES** vote. An affirmative vote of a majority of the Commissioners present is needed to pass the motion.
