SUBJECT: Request to Waive Time Limit for Encinitas LCP Amendment No. 2-08 for the Commission Meeting of November 12-14, 2008

On September 15, 2008, the City of Encinitas Local Coastal Program Amendment (LCPA) No. 2-08 was filed in the San Diego District office. The LCP amendment is to amend the certified LCP Implementation Plan (Section 30.60) to ban future billboards throughout the City and establish new provisions for sign message substitutions.

Pursuant to Section 30512 of the Coastal Act, an implementation plan amendment must be acted on by the Commission within 60 days of complete submittal. To be heard within the allotted time period, the amendment request would have to be agendaized for the scheduled November hearing. However, Section 30517 of the Coastal Act and Section 13535 of the Code of Regulations state that the Commission may for good cause extend a time limit for a period not to exceed one year, after consultation with the local government and by a majority vote of the Commissioners present. The City has indicated their concurrence with this request.

Summary of Staff Recommendation. Staff recommends the Commission extend the 60-day time limit for a period not to exceed one year.

MOTION:

I move that the Commission extend the 60-day time limit to Encinitas LCP Amendment No. 2-08 for a period not to exceed one year.

STAFF RECOMMENDATION:

Staff recommends a **YES** vote. An affirmative vote of the majority of the Commissioners present is needed to pass the motion.
