TO: Commissioners and Interested Persons

FROM: John Ainsworth, Deputy Director

SUBJECT: **City of Malibu LCP Amendment No. MAJ-3-07 Time Extension** to be heard at the March 5, 2008 Commission Hearing in Monterey.

On December 28, 2007, the City of Malibu submitted an amendment to the Land Use Plan and Implementation Plan portions of its certified Local Coastal Program (LCP). The amendment proposes to add land use policies and development standards for and related to a proposed Malibu Parks Public Access Enhancement Overlay District.

On January 7, 2008, the Executive Director determined that the City's amendment submittal was in proper order and legally adequate to comply with the submittal requirements of Coastal Act Section 30510(b). Pursuant to Section 30513 of the Coastal Act, an amendment to the certified LCP must be scheduled for a public hearing and the Commission must take action within 90 days of a complete submittal. The 90th day after filing the complete submittal is April 6, 2008.

Coastal Act Section 30517 and California Code of Regulations Section 13535 (c) state that the Commission may extend for good cause the 90-day time limit for a period not to exceed one year. Commission staff is requesting an extension to the 90-day time limit in order to allow adequate time to review and analyze the amendment. Therefore, staff recommends that the Commission extend the 90-day time limit to act on the City of Malibu LCP Amendment No. MAJ-3-07 for one year.

STAFF RECOMMENDATION

Staff recommends that the Commission vote to extend the deadline for Commission action for one year.

MOTION: *I move that the Commission extend the 90-day time limit to act on the City of Malibu LCP Amendment No. MAJ-3-07 for one year.*

RECOMMENDATION: Staff recommends a **YES** vote. An affirmative vote of a majority of the Commission present is needed to pass the motion.
