SUBJECT: **DEL NORTE COUNTY LCP AMENDMENT NO. DNC-MAJ-2-03  
(LCP Update)**  
For the Commission meeting of September 12, 2008

---

Amendment Description:

On October 20, 2003, the Commission received an LCP amendment transmitted by Del Norte County. On July 17, 2008, the Executive Director determined that the County's LCP amendment transmittal was in proper order and the application was deemed submitted.

As submitted, Del Norte County LCP Amendment No. DNC-MAJ-2-03 (LCP Update) would comprehensively update, modify, and reformat both the LCP's Land Use Plan and Implementation Plan which were originally certified in 1983.

Coastal Act Section 30510 requires proposed LCP amendment submittals to contain materials sufficient for a thorough and complete review. Once that requirement is satisfied and an amendment is deemed submitted (or "filed"), the Coastal Act requires the Commission to act on Implementation Plan (IP) amendments within 60 days, and on Land Use Plan (LUP) amendments and combined LUP/IP amendments within 90 days (Coastal Act Sections 30510, 30512, 30513, and 30514).

The LCP amendment application was deemed submitted on July 17, 2008. This proposed LCP amendment would amend the Land Use Plan and the Implementation Plan and thus, the 90-day requirement applies. The 90<sup>th</sup> day after the date this LCP Amendment Application was deemed submitted is October 15, 2008. Therefore, the LCP Amendment would need to be scheduled for Commission review at or prior to the first day of the Commission's October 15-17, 2008 hearings.

However, the extensive nature of the subject LCP amendment and the shortage of staff in the North Coast District Office have lengthened the time needed for the staff review of the amendment. Thus, a time extension is necessary to allow staff to conduct further research and analysis of the conformance of the Land Use Plan and Implementation Program amendments with the provisions of the Coastal Act and the LUP, respectively, and prepare an appropriate staff recommendation to the Commission.

Coastal Act Section 30517 states that the Commission may extend for good cause the 90-day time limit for a period not to exceed one year.

Staff Recommendation

Staff recommends that the Commission vote to extend the deadline for Commission action for one year.

MOTION:

I move that the Commission extend the time limit to act on Del Norte County Local Coastal Program Amendment No. DNC-MAJ-2-03 for a period of one year.

Staff recommends a YES vote. Passage of this motion will result in an extension of the period in which the Commission must act on the proposal, changing the deadline for Commission action from October 15, 2008 to October 15, 2009. An affirmative vote of a majority of the Commissioners present is needed to pass the motion.
