SUBJECT: Request to extend the sixty (60)-day time limit for Commission action on City of Dana Point LCP Amendment Request No. 1-10 (for Commission Action at the March 10-12, 2010 meeting in Santa Cruz).

On January 13, 2010, the City of Dana Point submitted a request to amend its certified Local Coastal Program (LCP) (also known as the Dana Point Harbor Revitalization Plan) for Dana Point Harbor, affecting the Implementation Plan (IP). Previously, this IP component was part of LCP Amendment Request 1-08, but was withdrawn and resubmitted due to timing concerns. The submitted IP amendment to the Dana Point Harbor Revitalization Plan, would implement the recently approved (October 2009) Land Use Plan (LUP) amendment, replacing, in its entirety, the implementation sections in the Dana Point Specific Plan Local Coastal Program relevant to the Dana Point Harbor. Proposed LCP Amendment Request No. 1-10 was submitted for Commission certification by City Council Resolution No. 06-09-13-06.

On January 13, 2010, the date of submittal, the Executive Director determined that LCP Amendment Request No 1-10 was in proper order and legally adequate to comply with the submittal requirements of the Coastal Act and the California Code of Regulations. Therefore, LCP Amendment Request No. 1-10 is deemed complete pursuant to the requirements of Section 30510 of the Coastal Act.

Pursuant to Sections 30512.1 and 30514 of the Coastal Act, an LCP amendment that includes changes to the IP portion of a certified LCP must be scheduled for a public hearing and the Commission must take action within sixty (60)-days of a complete submittal. The sixtieth day after the City's filing of the complete submittal is March 14, 2010. In order to be heard within this time frame, the LCP amendment would need to be scheduled for the Commission's March 10-12, 2010 meeting in Santa Cruz.

However, this deadline may be extended for good cause. Public Resources Code (PRC) Section 30517 allows the Commission to extend any time limitation established by Chapter 6 of Division 20 of the PRC, wherein lies Sections 30513 and 30514, for up to a year. Staff is recommending that the Commission extend the sixty-day (60) time limit for the review of the LCP amendment request. The time extension would allow for a thorough review of the City's proposed changes. City staff has been notified of this time extension request and has not objected to this request.

Therefore:

Summary of Staff Recommendation. Staff recommends that the Commission extend the sixty (60)-day time limit for a period of one year, i.e. to March 14, 2011.

MOTION:

"I move that the Commission extend the sixty (60)-day time limit to act on the City of Dana Point Local Coastal Program Amendment DPT-1-10 for a period of one year."

STAFF RECOMMENDATION:

Staff recommends a YES vote. An affirmative vote of the majority of the Commissioners present is needed to pass the motion.
