SUBJECT: Request to extend the sixty-day time limit for Commission action on City of Huntington Beach LCP Amendment Request No. 2-10 (Parkside IP Amendment) (for Commission Action at the July 7-9, 2010 meeting in Santa Rosa).

On June 25, 2009, the City of Huntington Beach submitted Local Coastal Program Amendment Request No. 1-09 to amend its certified Local Coastal Program Implementation Plan (IP). The proposed amendment is intended to implement LCP Land Use Plan Amendment No. 1-06 (Parkside), approved by the Commission on November 14, 2007. Proposed LCP Amendment Request No. 1-09 was submitted for Commission certification by City Council Resolution No. 2009-28.

Upon receipt of requested additional information on August 5, 2009, the Executive Director determined that LCP Amendment Request No. 1-09 was in proper order and legally adequate to comply with the submittal requirements of the Coastal Act and the California Code of Regulations. However, on May 13, 2010, the City withdrew the amendment request in order to allow additional time for Coastal Commission staff to adequately review the amendment request and due to other timing constraints. On May 20, 2010, the City resubmitted the same Implementation Plan amendment request. The re-submittal was deemed complete as submitted and re-numbered HNB-MAJ-2-10. Therefore, LCP Amendment Request No. 2-10 is deemed complete pursuant to the requirements of Section 30510 of the Coastal Act.

Pursuant to Sections 30512, 30513 and 30514 of the Coastal Act, an LCP amendment that includes changes to the IP portion of a certified LCP must be scheduled for a public hearing and the Commission must take action within sixty days of a complete submittal; and for an LUP amendment the Commission must take action within ninety days of a complete submittal. The sixtieth day after the City's filing of the complete submittal is July 19, 2010 (i.e. before the August 11-13, 2010, Commission hearing).

However, this deadline may be extended for good cause. Public Resources Code (PRC) Section 30517 allows the Commission to extend any time limitation established by Chapter 6 of Division 20 of the PRC, wherein lies Sections 30512, 30513 and 30514, for up to a year. Staff is recommending that the Commission extend the time limit for the review of the LCP amendment request. The time extension would allow for a thorough review of the City's proposed changes.

STAFF RECOMMENDATION

Staff recommends that the Commission extend the deadline for Commission action for one year (i.e. July 19, 2011).

MOTION: I move that the Commission extend the time limit to act on the City of Huntington Beach Local Coastal Program Implementation Plan Amendment No. 2-10 for a period of one year.

Staff recommends a **YES** vote. An affirmative vote of a majority of the Commissioners present is needed to pass the motion.
