MEMORANDUM

TO: Commissioners and Interested Persons

FROM: John Ainsworth, Deputy Director
Gary Timm, District Manager, South Coast District
Al Padilla, Coastal Program Analyst

SUBJECT: Concurrence with the Executive Director's determination that the action of the County of Los Angeles accepting certification with suggested modifications of Major Local Coastal Program Amendment No. 1-11 for the Marina del Rey segment is legally adequate. For Commission review at its February 8-10, 2012 meeting in Santa Cruz.

STAFF RECOMMENDATION

Staff recommends that the Commission concur with the Executive Director's determination that the County's action is legally adequate.

BACKGROUND

On November 3, 2011, the Commission approved Local Coastal Program Amendment No. 1-11 with suggested modifications. The subject amendment dealt with changes to adjust the location of development authorized by the existing certified LCP; incorporate changes in response to the Periodic Review; and make minor grammatical, typographical and reference corrections. The proposed amendment affects both the Marina del Rey Land Use Plan and Specific Plan.

On November 29, 2011, the Board of Supervisors adopted a resolution (see attached) acknowledging receipt of the Commission's certification of LCP Amendment No. 1-11 and accepting and agreeing to all modifications suggested by the Commission. The signed resolution was transmitted to Commission staff on January 3, 2012.

Pursuant to Section 13544 of the California Code of Regulations, Title 14, Division 5.5, the Executive Director must determine that the action taken by the County of Los Angeles acknowledging receipt and acceptance of and agreement with the Commission's certification of the above-referenced LCP amendment with suggested modifications is legally adequate and report that determination to the Commission. In this case, the Executive Director has determined that the County's action is legally adequate. Unless a majority of the Commissioners present object to the Executive Director's determination, the certification of Los Angeles County's Marina del Rey LCP Amendment No. 1-11 shall
