RE: **County of Santa Barbara Local Coastal Program Amendment No. STB-MAJ-3-11-B (Telecommunications Facilities)** Time Extension to be heard at the June 2012 Commission Hearing in Huntington Beach.

# Th28c

The County of Santa Barbara submitted an amendment to the Zoning Ordinance component of its certified Local Coastal Program (LCP) to amend the existing permitting procedures and development standards that regulate the construction and use of commercial telecommunications facilities.

Pursuant to Coastal Act Section 30513, an amendment to the LIP portion of the certified LCP must be scheduled for a public hearing and the Commission must take action not later than 60 days after the day that the amendment was received. In this case, the 60th day after receipt of the complete submittal is July 10, 2012.

Coastal Act Section 30517 and California Code of Regulations Section 13535 (c) state that the Commission may extend for good cause the 60-day time limit for a period not to exceed one year. Commission staff is requesting an extension to the 60-day time limit in order to allow adequate time to review and analyze the amendment. Therefore, staff recommends that the Commission extend the 60-day time limit to act upon County of Santa Barbara LCP Amendment No. STB-MAJ-3-11-B for a period of one year.

### **STAFF RECOMMENDATION**

Staff recommends that the Commission vote to extend the deadline for Commission action for one year.

**MOTION:** *I move that the Commission extend the 60 day time limit to act on the County of Santa Barbara Local Coastal Program Amendment No. STB-MAJ-3-11-B for one year.*

**RECOMMENDATION:** Staff recommends a **YES** vote. An affirmative vote of a majority of the Commission present is needed to pass the motion.
