Th16b

DATE: October 24, 2013

TO: Commissioners and Interested Parties

FROM: Charles Lester, Executive Director
Jack Ainsworth, Senior Deputy Director

SUBJECT: County of Santa Barbara LCP Amendment MAJ-3-11-A (General Package Ordinance): Executive Director's determination that the County's acknowledgement of receipt, acceptance, and agreement with the Commission's certification with suggested modifications is legally adequate. This determination will be reported to the Commission at the Thursday, November 14, 2013 hearing in the City of Newport Beach.

On July 10, 2013, the Commission approved Local Coastal Program Amendment No. MAJ-3-11-A, submitted by the County of Santa Barbara, with suggested modifications. This amendment modifies the Implementation Plan/Coastal Zoning Ordinance (IP/CZO) portion of Santa Barbara County's certified Local Coastal Program (LCP) to add and amend definitions and to amend regulations related to various topics including: application preparation and filing procedures; standards for residential zones and uses; oil and gas abandonment procedures (demolition and reclamation permits); conditional use permit, land use permit, and development plan procedures, and development modification standards currently part of the certified IP/CZO.

On September 3, 2013, the County Board of Supervisors adopted Resolution No. 13-214 (attached) acknowledging receipt of the Commission's certification of LCP Amendment No. MAJ-3-11-A and accepting and agreeing to all modifications suggested by the Commission.

Pursuant to Section 13544 of the California Code of Regulations, Title 14, Division 5.5, the Executive Director must determine that the action taken by the County of Santa Barbara acknowledging receipt and acceptance of, and agreement with the Commission's certification of the above referenced LCP amendment with suggested modifications is legally adequate and report that determination to the Commission. The certification shall become effective unless a majority of the Commissioners present object to the Executive Director's determination.

I have reviewed the County's acknowledgement and acceptance of, and agreement with the terms and suggested modifications of LCP Amendment MAJ-3-11-A, as certified by the Commission on July 10, 2013, as contained in the adopted Board Resolution of September 3, 2013, and find that the County's action and notification procedures for appealable development are legally adequate to satisfy the terms and requirements of the Commission's certification. I therefore recommend that the Commission concur in this determination.
