PRIORITY LEGISLATION

AB 300 (Alejo) Safe Water and Wildlife Protection Act of 2015

This bill would enact the Safe Water and Wildlife Protection Act of 2015, requiring the State Coastal Conservancy to establish and coordinate the Algal Bloom Task Force. The task force would be comprised of a representative of the State Department of Public Health, the Department of Fish and Wildlife, Department of Food and Agriculture and the State Coastal Conservancy, and other relevant agencies. It would require the task force to review the risks and negative impacts of toxic blooms and microcystin pollution, consult with the EPA Secretary, and to submit a summary of its findings and recommendations to the Resources Secretary by January 1, 2017. Amendments of 05/28 add the State Water Pollution Cleanup and Abatement Account as a source of grant funds. *Amendments of 06/25 add “marine waters” to the definition of “waters of the state.”*

Introduced 02/12/15
Last Amended 08/17/15
Status Senate Appropriations Committee, Suspense File. Held under submission.

AB 435 (Chang) Natural Resources Agency: webcast of meetings and workshops

This bill would require all boards, departments and commissions within the Environmental Protection Agency and the Natural Resources Agency to provide live webcasts of all public meetings in a manner that enables listeners to and viewers to ask questions and provide public comment by phone or electronic communication. The bill would require all agencies to archive the webcasts for later viewing by the public. Amendments of 05/28 specify that the bill does not apply to workshops or meetings held at “non-agency sites”, and specify that archived meeting videos must be made available to the public for a period of three years. *Amendments of 05/28 make the bill no longer applicable to the Coastal Commission.*

Introduced 02/19/15
Last Amended 05/28/15
Status Senate Appropriations Committee. Held under submission.

AB 718 (Chu) Local government: powers

This bill would prohibit any local government from imposing civil or criminal penalties for the act of sleeping or resting in a lawfully parked motor vehicle. *Amendments of 7/14 clarify that the bill does not supersede various other laws.*

Introduced 02/25/15
Last Amended 07/14/15
Status Failed passage in Senate. Reconsideration granted.

AB 988 (Stone) Outdoor Environmental Education and Recreation Grants Program

This bill would require the Department of Parks and Recreation to establish an Outdoor Environmental Education and Recreation Grants Program for the purpose of increasing the ability of underserved and at-risk populations to participate in outdoor recreation and educational experiences by awarding grants to public organizations, nonprofit organizations, or both. The bill would require that all moneys received for the purposes of the program be deposited into the California Youth Outdoor Education Account, which would be created by the bill and would be continuously appropriated. Any bond funds made available through the program would be awarded to programs that meet the criteria of the State Urban Parks and Healthy Communities Act. Amendments of 06/01 specify that priority will be given to grant applications that primarily serve students who are eligible for free or reduced-price meals, or pupils of limited English proficiency. *Amendments of 06/30 make technical changes, and require the department to report annually to the Budget and Fiscal Committees.*

Introduced	02/26/15
Last Amended	06/30/15
Status	Senate Appropriations Committee. Held under submission.

AB 1500 (Mainschein) California Environmental Quality Act: priority housing projects: exempt

This bill would exempt emergency shelter, transitional housing, and priority housing projects, as defined, from the requirements of CEQA.

Introduced	02/27/15
Last Amended	01/13/16
Status	Senate Rules

SB 233 (Hertzberg) Marine resources and preservation

This bill would amend the California Marine Resources Legacy Act in the Fish and Game Code, related to artificial reef conversion of offshore oil and gas facilities. The bill designates the Department of Fish and Wildlife as the lead agency for environmental review under CEQA for an application to partially remove an offshore structure. The bill requires the Department to determine the cost savings of partial removal compared with full removal, as well as make the determination of whether partial removal provides a net environmental benefit. The bill includes consideration of greenhouse gas emissions as part of the analysis of net environmental benefit. The bill makes changes to the application process, and changes to the timing of the distribution of funds. This bill designates the State Lands Commission as the lead agency under CEQA, requires the applicant to provide sufficient funds for all agencies to perform the responsibilities proscribed by the bill, and gives the Ocean Protection Council the responsibility of determining the appropriate weight to be given to adverse impacts to the marine environment versus greenhouse gas emissions. The bill would allow the first applicant to partially remove an offshore platform to pay startup and other costs associated with processing the application as determined by the department. *Amendments of 07/16 change references from “best available science” to “credible” science, and allow the first applicant to pay the department’s start-up cost.*

Introduced	02/13/15
Last Amended	07/16/15
Status	Assembly Appropriations Committee. Hearing cancelled at request of author.

SB 317 (De Leon) The Safe Neighborhood Parks, Rivers, and Coastal Protection Bond Act

This bill would enact the Safe Neighborhood Parks, Rivers, and Coastal Protection Bond Act of 2016, which, if adopted by the voters at the November 8, 2016, statewide general election, would authorize the issuance of bonds in an unspecified amount pursuant to the State General Obligation Bond Law to finance a safe neighborhood parks, rivers, and coastal protection program. The bill would authorize a total bond issuance amount of \$2,450,000,000. Of that amount, \$350,000,000 would be specified for coast and ocean protection, and \$370,000,000 for rivers, lakes and streams. This bill has an urgency clause. *Amendments of 05/05 up to 10% of funds allocated for each chapter may be used for project planning and monitoring, and specify that no more than 5% of funds allocated to a grant program may be used for administrative costs..*

Introduced 02/23/15
Last Amended 05/05/15
Status Senate Appropriations Committee

SB 657 (Monning) Diablo Canyon Units 1 and 2: independent peer review panel

As Amended 04/21, this bill would require the Public Utilities Commission to convene an independent review panel to review seismic studies and surveys of the Diablo Canyon Units 1 and 2, including the surrounding area and spent fuel storage areas. This bill has an urgency clause, and if chaptered, would take effect immediately. *Amendments of 6/23 make a technical, non-substantive change.*

Introduced 02/27/15
Last Amended 06/23/15
Commission Position Support
Status In Assembly. Held at desk.

SB 718 (Leno) Hazardous Materials Response and Restoration Sub-account

As Amended 04/07, this bill would authorize the OSPR Administrator to loan up to \$500,000 annually from the Oil Spill Response Trust Fund to the Hazardous Materials Response and Restoration Sub-account for the purpose of reimbursing wildlife rescue and rehabilitation organizations for costs incurred from wildlife rescue activities associated with “non-oil material” spill events. *Amendments of 05/11 prohibit the Administrator from making the loan if the total amount of monies made from these loans that has not been repaid exceeds \$2,500,000.*

Introduced 02/27/15
Last Amended 05/11/15
Status Senate Appropriations Committee, Suspense File. Held under submission.

SB 788 (McGuire) California Coastal Protection Act of 2015

This bill would repeal Section 6422 of the Coastal Sanctuary Act, which currently authorizes the State Lands Commission (SLC) to enter into a lease for the extraction of oil or gas from state-owned tide and submerged lands in a California Coastal Sanctuary if SLC determines that the oil or gas deposits are being drained by producing wells on adjacent federal lands, and the lease is in the best interest of the state. The effect of this would be to prohibit any on or offshore drilling into oil reserves known as Tranquillon Ridge offshore Santa Barbara County. This bill is a reintroduction of SB 1096 (Jackson) from the previous legislative session.

Introduced 05/04/15
Last Amended 06/02/15
Status Assembly Appropriations Committee, Suspense File. Held under submission.

SB 900 (Jackson) Coastal Oil Well Cleanup Act

This bill would require the State Lands Commission to conduct a statewide survey to remediate “legacy” oil wells in state waters for which there is no responsible party, survey and monitor natural oil seeps in state waters, and conduct a survey of all legacy oil wells along the California coastline.

Introduced 01/21/16
Status Senate Rules Committee
