LEGISLATIVE SUMMARIES**AB 300 (Alejo) Safe Water and Wildlife Protection Act of 2015**

This bill would enact the Safe Water and Wildlife Protection Act of 2015, requiring the State Coastal Conservancy to establish and coordinate the Algal Bloom Task Force. The task force would be comprised of a representative of the State Department of Public Health, the Department of Fish and Wildlife, Department of Food and Agriculture and the State Coastal Conservancy, and other relevant agencies. It would require the task force to review the risks and negative impacts of toxic blooms and microcystin pollution, consult with the EPA Secretary, and to submit a summary of its findings and recommendations to the Resources Secretary by January 1, 2017. Amendments of 05/28 add the State Water Pollution Cleanup and Abatement Account as a source of grant funds. *Amendments of 06/25 add “marine waters” to the definition of “waters of the state.”*

Introduced 02/12/15
 Last Amended 08/17/15
 Status Senate Appropriations Committee, Suspense File. Held under submission.

AB 435 (Chang) Natural Resources Agency: webcast of meetings and workshops

This bill would require all boards, departments and commissions within the Environmental Protection Agency and the Natural Resources Agency to provide live webcasts of all public meetings in a manner that enables listeners to and viewers to ask questions and provide public comment by phone or electronic communication. The bill would require all agencies to archive the webcasts for later viewing by the public. Amendments of 05/28 specify that the bill does not apply to workshops or meetings held at “non-agency sites”, and specify that archived meeting videos must be made available to the public for a period of three years. *Amendments of 05/28 make the bill no longer applicable to the Coastal Commission.*

Introduced 02/19/15
 Last Amended 05/28/15
 Status Senate Appropriations Committee. Held under submission.

AB 718 (Chu) Local government: powers

This bill would prohibit any local government from imposing civil or criminal penalties for the act of sleeping or resting in a lawfully parked motor vehicle. *Amendments of 7/14 clarify that the bill does not supersede various other laws.*

Introduced 02/25/15
 Last Amended 07/14/15
 Status Failed passage in Senate. Reconsideration granted. Inactive File.

AB 988 (Stone) Outdoor Environmental Education and Recreation Grants Program

This bill would require the Department of Parks and Recreation to establish an Outdoor Environmental Education and Recreation Grants Program for the purpose of increasing the ability of underserved and at-risk populations to participate in outdoor recreation and educational experiences by awarding grants to public organizations, nonprofit organizations, or both. The bill would require that all moneys received for the purposes of the program be deposited into the California Youth Outdoor Education Account, which would be created by the bill and would be continuously appropriated. Any bond funds made available through the program would be awarded to programs that meet the criteria of the State Urban Parks and Healthy Communities Act. Amendments of 06/01 specify that priority will be given to grant applications that primarily serve students who are eligible for free or reduced-price meals, or pupils of limited English proficiency. *Amendments of 06/30 make technical changes, and require the department to report annually to the Budget and Fiscal Committees.*

Introduced 02/26/15
Last Amended 06/30/15
Status Senate Appropriations Committee. Held under submission.

AB 1500 (Mainschein) California Environmental Quality Act: priority housing projects: exempt

This bill would exempt emergency shelter, transitional housing, and priority housing projects, as defined, from the requirements of CEQA.

Introduced 02/27/15
Last Amended 01/13/16
Status Senate Transportation and Housing Committee

AB 1871 (Waldron) Coastal resources: development: water supply projects

This bill would limit the growth-inducing impacts the Commission may consider in its review for a coastal development project for a water supply project. The Commission’s review authority would be limited to how the proposed project augments existing water supplies, how it increases regional water supply reliability to drought and climate change, and how it reduces reliance on the Sacramento-San Joaquin Delta.

Introduced 02/10/16
Last Amended 03/18/16
Status Assembly Natural Resources Committee, hearing cancelled at author’s request

AB 2002 (Stone) Political Reform Act: California Coastal Commission

This bill would amend the definition of “administrative action” in Section 82002 of the Political Reform Act to include permit applications and other actions pending before the Coastal Commission. The bill would also amend Section 30325 of the Public Resources Code to require persons who communicate with the commission on actions described under the new definition in 82002, with certain exceptions, to comply with the requirements Political Reform Act (Chapter 6, Title 9 of the Government Code). *Amendments of 03/28 prohibit ex parte communications within 24 hours of the public hearing on the item being discussed, and require disclosure within 24 hours of any ex parte communication that takes place seven or fewer days before the hearing item.*

This is a spot bill relating to fire rings at local beaches.

Introduced 02/17/16
Status Assembly Rules Committee

AB 2171 (Jones) Coastal resources: development review: appeals

As amended 03/29, this bill would add Section 30625.5 to the Public Resources code to allow an applicant or an aggrieved person file an appeal on any appealable item directly with a superior court in lieu of filing an appeal with the Commission.

Introduced 02/18/16
Last Amended 03/29/16
Status Failed passage, Assembly Natural Resources & Judiciary Committees, reconsideration granted

***AB 2180 (Ting) Land use: development project review**

As amended 03/31, and relevant to the Coastal Commission, this bill would amend the Permit Streamlining Act to reduce the length of time for a responsible agency to act on an application for residential and mixed use developments from 180 days to 90 days from the date of approval by a lead agency, or receipt of a completed application, whichever is longer.

Introduced 02/18/16
Last Amended 03/31/16
Status Assembly Third Reading

AB 2185 (Gonzalez): State Coastal Conservancy: low-cost accommodations

This bill would require the Coastal Conservancy to develop a loan/grant program to assist private low-cost accommodations to meet their operation and maintenance needs in exchange for an easement or other legally binding instrument that protects the public benefit of the facility. The bill also requires the Conservancy, in consultation with the Commission and State Parks, to develop a list of potential low-cost accommodation projects.

Introduced 02/18/16
Last Amended 03/18/16
Status Assembly Appropriations Committee, Suspense File, Held Under Submission

AB 2658 (Maienshein) California Coastal Commission: ex parte communications: meetings

This bill would extend current ex parte reporting requirements to members of the Coastal Commission staff. The bill would also require all hearings, workshops, or written proceedings to be promptly posted on the Commission’s website to allow for public comment.

Introduced 02/19/16
Status Assembly Natural Resources Committee, hearing cancelled at author’s request

SB 233 (Hertzberg) Marine resources and preservation

This bill would amend the California Marine Resources Legacy Act in the Fish and Game Code, related to artificial reef conversion of offshore oil and gas facilities. The bill designates the Department of Fish and Wildlife as the lead agency for environmental review under CEQA for an application to partially remove an offshore structure. The bill requires the Department to determine the cost savings of partial removal compared with full removal, as well as make the determination of whether partial removal provides a net environmental benefit. The bill includes consideration of greenhouse gas emissions as part of the analysis of net environmental benefit. The bill makes changes to the application process, and changes to the timing of the distribution of funds. This bill designates the State Lands Commission as the lead agency under CEQA, requires the applicant to provide sufficient funds for all agencies to perform the responsibilities proscribed by the bill, and gives the Ocean Protection Council the responsibility of determining the appropriate weight to be given to adverse impacts to the marine environment versus greenhouse gas emissions. The bill would allow the first applicant to partially remove an offshore platform to pay startup and other costs associated with processing the application as determined by the department. *Amendments of 07/16 change references from “best available science” to “credible” science, and allow the first applicant to pay the department’s start-up cost.*

Introduced 02/13/15
Last Amended 07/16/15
Status Assembly Appropriations Committee, hearing cancelled at request of author.

SB 317 (De Leon) The Safe Neighborhood Parks, Rivers, and Coastal Protection Bond Act

This bill would enact the Safe Neighborhood Parks, Rivers, and Coastal Protection Bond Act of 2016, which, if adopted by the voters at the November 8, 2016, statewide general election, would authorize the issuance of bonds in an unspecified amount pursuant to the State General Obligation Bond Law to finance a safe neighborhood parks, rivers, and coastal protection program. The bill would authorize a total bond issuance amount of \$2,450,000,000. Of that amount, \$350,000,000 would be specified for coast and ocean protection, and \$370,000,000 for rivers, lakes and streams. This bill has an urgency clause. *Amendments of 05/05 up to 10% of funds allocated for each chapter may be used for project planning and monitoring, and specify that no more than 5% of funds allocated to a grant program may be used for administrative costs.*

SB 788 (McGuire) California Coastal Protection Act of 2015

This bill would repeal Section 6422 of the Coastal Sanctuary Act, which currently authorizes the State Lands Commission (SLC) to enter into a lease for the extraction of oil or gas from state-owned tide and submerged lands in a California Coastal Sanctuary if SLC determines that the oil or gas deposits are being drained by producing wells on adjacent federal lands, and the lease is in the best interest of the state. The effect of this would be to prohibit any on or offshore drilling into oil reserves known as Tranquillon Ridge offshore Santa Barbara County. This bill is a reintroduction of SB 1096 (Jackson) from the previous legislative session.

Introduced 05/04/15
Last Amended 06/02/15
Status Assembly Appropriations Committee, Suspense File. Held under submission.

SB 900 (Jackson) Coastal Oil Well Cleanup Act

This bill would require the State Lands Commission to conduct a statewide survey to remediate “legacy” oil wells in state waters for which there is no responsible party, survey and monitor natural oil seeps in state waters, and conduct a survey of all legacy oil wells along the California coastline. *Amendments of 5/31 make minor, technical changes.*

Budget Trailer Language: Streamlining Affordable Housing Approvals

The Administration is proposing budget trailer bill language to streamline the approval process for residential development projects that include deed-restricted affordable housing components, as specified: 20% for low and moderate income buyers, or 10% if located within a mile of a major transit stop, or 5% for very low income buyers. Projects that qualify as “infill development” as defined in the bill, which meet this description, would be ministerially approved “by right” at the local level, so long as all applicable “objective” standards are met.
