PRIORITY LEGISLATION

AJR 15 (Aguiar-Curry) Federal public lands

This measure would urge the President of the United States, the Secretary of the Interior, and the Secretary of Agriculture to protect public lands, support the Antiquities Act of 1906, and honor the integrity of National Monuments designated by past presidents under the Act.

Introduced 05/15/17
Status Chaptered. Resolution Chapter 85, Statutes of 2017

AB 18 (Eduardo Garcia) California Clean Water, Climate, Coastal Protection and Outdoor Access For All Act of 2018

This bill would enact the above titled Bond Act, which, if adopted by the voters at the June 5, 2018 statewide election, would authorize the issuance of State General Obligation Bonds in the amount of \$3.105 billion, to finance specified programs. The sum of \$95 million would be allocated to the State Coastal Conservancy for coastal resource protection purposes and completion of the Coastal Trail; \$18 million to the State Coastal Conservancy for climate resilience, sea level rise, ocean acidification and Pacific Flyway habitat protection; \$40 million to BCDC for the purposes of that program; \$30 million would be allocated to the California Climate Resilience Account to assist coastal communities with adaptation measures, and \$600 million, subject to appropriation by the Legislature, would be available to plan, develop and implement climate adaptation projects that protect coastal and rural communities adapt to climate change impacts. *Amendments of 03/08 added \$100,000,000 to fund lower cost visitor serving projects on coastal public lands or coastal lands owned by non-profits.*

Introduced 12/05/16
Last Amended 03/08/17
Status Senate Natural Resources and Water Committee.

AB 96 (Ting) Budget Act of 2017-18

This bill will make appropriations in support of the State of California for public purposes, including the California Coastal Commission’s annual budget.

Introduced 01/10/17
Last Amended 05/31/17
Status Assembly Budget Committee.

AB 184 (Berman) Sea level rise planning: data base

This bill would repeal Section 30968 of the Public Resources Code, deleting the January 1, 2018 sunset date for agencies to regularly submit specified information to the Natural Resources Agency for inclusion in the state’s Sea Level Rise Data Base. *Amendments of 05/23 extend sunset date to January 1, 2023.*

Introduced 01/19/17
Last Amended 05/23/17
Status Senate Floor.

AB 250 (Gonzalez) State Coastal Conservancy: Lower Cost Coastal Accommodations Program

This bill would direct the State Coastal Conservancy to work with State Parks and the Coastal Commission to prepare and implement a Lower Cost Visitor Serving (LCVS) Accommodations plan within and adjacent to the coastal zone. The bill would authorize the Conservancy to identify and test various measures that support the identification, development, improvement and operation of lower cost accommodations by private entities. *Amendments of 07/05 authorize the Coastal Commission to reclaim any LCVS in-lieu fees that have not been spent within seven years, and reassign them to another mitigation project upon a written finding by the Executive Director that the project will better meet the objectives and original intent of the in lieu fee.*

Introduced 01/30/17
Last Amended 07/05/17
Status Senate Appropriations Committee, Suspense File.

Commission Position Support

AB 313 (Gray) Water

This bill would create a new Water Rights Division within the Office of Administrative Law (OAL), staffed by a minimum of four attorneys with no less than 8 years of legal experience with water rights law. The bill would transfer the State Water Resources Control Board’s Cease and Desist and Administrative Penalty authority from the Executive Director (current law) to an administrative law judge (ALJ) within the OAL’s Water Rights Division. The ALJ’s decision would be subject to review by the SWRCB. *Amendments of 07/18 pertain to water diversions for water cultivation.*

Introduced 02/06/17
Last Amended 07/18/17
Status Senate Appropriations Committee

AB 366 (Obernalte) Water supply: new residential development: building permits

This bill would allow the issuance of a building permit where the source of the water supply is delivered from a legal source by a licensed hauler. Existing law prohibits new residential development where the water supply would be provided by bottled water, a vending machine or a water hauler. *Amendments of 06/29 remove all of the previous language and change the subject matter of the measure to cost recovery for prevailing parties in civil litigation. This amendment makes the subject matter of the bill non-relevant for the purpose of this report.*

Introduced 02/08/17
Last Amended 06/29/17
Status Senate Rules Committee. Hearing date 07/05/17.

AB 388 (Mullin) Greenhouse Gas Reduction Fund: wetland restoration projects

This bill will authorize the use of GGRF moneys for the beneficial reuse of dredged materials for wetland restoration projects, provided that the investment furthers the purposes of the California Global Warming Solutions Act of 2006 (AB 32). *Amendments of 06/22 make minor, technical changes.*

Introduced 02/09/17
Last Amended 06/22/17
Status Senate Natural Resources and Water Committee. Hearing date 07/11/17.

AB 457 (Cunningham) Saline water conversion: Diablo Canyon Nuclear Plant

This bill would require the Public Utilities Commission to contract with an independent third party to study of the feasibility of utilizing Diablo Canyon’s existing desalination facility for local water use as part of the decommissioning process.

Introduced 02/13/17
Last Amended 05/26/17
Status Senate Rules Committee.

AB 494 (Bloom) Land use: accessory dwelling units

This bill makes minor clarifications to Government Code Section 65852.2, related to accessory dwelling units (ADUs). The bill clarifies that ADUs may be rented separately from the main house, defines “tandem parking” and clarifies that a studio, pool house, or other similar structure may be converted to an ADU consistent with the requirements of the section. The bill provides that parking requirements for ADUs cannot exceed one space per unit or per bedroom, whichever is less, and that no setback is required for an existing garage that is converted to a portion of an ADU.

Introduced 02/13/17
Last Amended 03/28/17
Status Senate Governance and Finance Committee.

AB 554 (Cunningham) Desalination: statewide goal

This bill would establish a statewide goal of desalinating 300,000 acre-feet per year of drinking water by 2025, and 500,000 acre-feet per year by 2030. *Amendments of 03/27 make non-substantive changes to the findings portion of the bill.*

Introduced 02/14/17
Last Amended 03/27/17
Status Assembly Appropriations Committee. Held Under Submission.

AB 663 (Bloom) Coastal resources: housing

This bill would reinstate the Coastal Act affordable housing policies that were repealed in 1981. The bill would also repeal language precluding the Commission from requiring local governments to include affordable housing policies in their LCPs. *Amendments of 04/19 add a 5 year sunset provision.*

Introduced 02/14/17
Last Amended 04/19/17
Status Assembly Inactive File.

Commission Position Support

AB 684 (Stone) California Coastal Commission: ex parte communications: data base

This bill would require the Commission, by July 1, 2018, to develop and implement an online data base for the reporting of ex parte communications. The bill would require that the database be publicly searchable, and that all ex-parte communications must be posted on line within 7 days of the communication. Communications taking place less than 7 days prior to the hearing must be posted on line prior to the beginning of the hearing at which the matter is to be discussed. *Amendments of 06/29 require the Commission to provide training and technical support to Commissioners upon request; and provide that if an Commissioner is unable to post an ex parte communication on the database due to a problem with the Server within 2 days of the hearing, the Commissioner shall verbally disclose the ex parte on the matter from the dais, and state the reason for not posting the ex parte. The communication must be posted on the database as soon as the technical issue is resolved. Amendments of 07/18 change “meeting” to “hearing” for the purpose of disclosing an ex parte communication. The practical effect of this amendment is that ex parte communications can take place during commission meetings, provided that they are disclosed prior to the opening of the hearing item.*

Introduced 02/15/17
Last Amended 07/18/17
Status Senate Natural Resources Committee. Hearing date 07/11/17

AB 725 (Levine) State beaches and parks: smoking ban

This bill would make it a civil misdemeanor to smoke cigars or cigarettes on state coastal beaches, punishable by fines up to \$250. The bill would authorize the State Parks Director to post signs regarding smoking restrictions, as well as to designate areas within a state park unit that is exempt from the ban.

Introduced 02/15/17
Status Senate Appropriations Committee.

AB 816 (Kiley) Webcasts of public meetings and workshops

This bill would require all boards and commissions within the Natural Resources Agency and the Environmental Protection Agency provide a live webcast of all public meetings in a manner that allows for listeners and viewers to provide public comment. The bill does not apply to meetings held at “non-agency” sites as defined: “A location other than agency headquarters or state government buildings or facilities where the primary operations of the agency...take place.”

Introduced 02/15/17
Status Senate Natural Resources and Water Committee. Hearing date 07/11/17

AB 1077 (O'Donnell) Off-highway vehicles

This bill would indefinitely extend the authorization for the Department of State Parks' authorization to administer the Off-Highway Motor Vehicle Recreation Program. Amendments of 04/05 extend the sunset date to *January 1, 2019, unless a specified report is not received by the Legislature by January 1, 2018, in which case the act would be repealed on July 1, 2018.*

Introduced 02/16/17
Last Amended 04/05/17
Status Assembly Appropriations Committee. Held Under Submission.

AB 1129 (Stone) California Coastal Commission

This bill would require that shoreline protective devices and would amend PRC 30235 to define "existing structure" as structures built prior to January 1, 1977, and to specify that shoreline protective devices must be approved consistent with Coastal Act policies protecting public access, shoreline ecology, natural landforms and other impacts on coastal resources. The bill would specify that emergency permits issued for shoreline protective devices are intended to allow the minimum amount of temporary development necessary to address the emergency situation. The bill would also amend PRC 30821 to allow for the imposition of administrative penalties for unpermitted shoreline protective devices.

Introduced 02/17/17
Last Amended 02/09/17
Status Assembly Inactive File.

Commission Position Support

AB 1151 (Gloria) Vaquita-harmful fish and fish products

This bill would make it unlawful to sell, offer for sale, trade or distribute fish or fish products whose capture methods are harmful to the critically endangered vaquita, the world's smallest and most rare cetacean, found only in the northern Gulf of Mexico. This bill would prohibit the sale of fish species which are caught through the use of gill nets in vaquita habitat. *Amendments of 05/30 would require the Department of Fish and Wildlife to adopt regulations to enforce the prohibition by January 1, 2019, and prohibit the Department from taking any enforcement actions pursuant to the regulations prior to July 1, 2019.*

Introduced 02/17/17
Last Amended 05/30/17
Status Senate Appropriations Committee.

Commission Position Support

AB 1281 (Limon) State parks: climate change: study

This bill would require the Department of Parks and Recreation to conduct a study that includes recommendations for actions needed to address the impacts of climate change at state parks by July 1, 2018.

Introduced 02/17/17
Last Amended 03/30/17
Status Assembly Appropriations Committee. Held under submission.

AB 1282 (Mullin) Transportation Permitting Task Force

This bill would require the Natural Resources Secretary to establish an interagency Transportation Task Force consisting of specified agencies including the Coastal Commission, for the purpose of establishing early engagement practices and deadlines for permitting transportation projects. *The Secretary would prepare and submit a report to the Legislature on the taskforce's findings. Amendments of 06/29 delete the EPA Secretary and the Department of Water Resources from the task force, and add the SWRCB and RWQCBs.*

Introduced 02/17/17
Last Amended 06/29/17
Status Assembly Floor. Concurrence Pending.

AB 1594 (Bloom) Ocean protection: plastic pollution

This bill would require the Ocean Protection Council on or before March 1, 2018, to complete exiting data on the primary sources of plastics pollution in the ocean, as determined by an analysis of coastal cleanup efforts in the state. The report would include recommendations to the Legislature regarding possible legislative actions or other measures to reduce plastics pollution in coastal beaches and ocean waters. The bill would also require the Council to report to the Legislature on the status of the OPC's 13-point plan to prevent and reduce marine debris, as outlined by the Council's 2007 resolution. *Amendments of 06/26 strike the previous provisions and state that it is the intent of the Legislature to increase the diversion of single-use food packaging in order to reduce a primary source of litter and marine debris.*

Introduced 02/17/17
Last Amended 06/26/17
Status Senate Rules Committee.

AB 1642 (Caballero) California Coastal Commission: ex parte communications: disclosure

This bill would require the Director of the Coastal Commission to post all written ex parte communication disclosures on the Commission's internet website.

Introduced 02/17/17
Status Assembly Rules Committee.

SB 5 (De Leon) California Drought, Water, Parks, Climate, Coastal Protection and Outdoor Access for All Act of 2018

This bill would enact the above titled Bond Act, which, if adopted by the voters at the June 5, 2018 statewide election, would authorize the issuance of State General Obligation Bonds in the amount of \$3.5 billion, to finance specified programs. Half of the funding would go toward investments in park, trails and other projects that promote social and environmental equity and enhance disadvantaged communities, and half would be spent on clean drinking water and drought preparedness projects. Of the \$400 million for climate adaptation and resiliency projects, \$42 million would be allocated to the San Francisco Bay Area Conservancy Program for program purposes; \$99,840,000 for Division 21 purposes, including \$30 million for restoration of Southern steelhead habitat, and \$3 million to the Coastal Conservancy’s Santa Ana River Conservancy Program. *Amendments of 05/26 direct agencies receiving funding from this measure to conduct outreach to diverse populations, and take actions to increase visitation and access by diverse and minority populations. Amendments of 07/18 increase the overall amount of the bond from \$3.5 billion to \$3.832 billion, and specify that \$50,000,000 shall be made available to the department for grants to public agencies and non-profit organizations for lower cost coastal accommodations; \$50,000,000 shall be made available to the State Coastal Conservancy for LCVS grants, and \$50,000,000 shall be allocated to the State Coastal Conservancy for San Francisco Bay restoration projects. An additional \$503,000,000 would be available through competitive for climate adaptation and resiliency projects.*

Introduced 12/05/16
Last Amended 07/18/17
Status Assembly Water, Parks and Wildlife Committee.

SB 35 (Wiener) Planning and zoning: streamlined approval process

This bill would provide that multi-family housing (two or more units) which meets certain criteria related to siting, zoning, and deed restrictions for affordability, among others, shall be eligible for a streamlined approval process. The bill is based on the Governor’s “by right” housing proposal of 2016, including many of the alternative proposals voiced by groups in opposition. The bill excludes the coastal zone.

Introduced 12/05/16
Last Amended 06/20/17
Status Assembly Rules Committee.

SR 35 (Jackson) Oil and gas leasing in federal waters off California

This measure states the Senate’s strong and unequivocal support of the current moratorium on new offshore oil and gas leasing in federal waters, and opposes any attempts to modify the prohibition.

Introduced 05/01/17
Status Enrolled.

SB 42 (Hill) Public lands: Martins Beach: property acquisition

This bill would create the Martins Beach Subaccount within the Kapiloff Land Bank Fund, and make an appropriation \$360,000 from the General Fund to the subaccount to enable the State Lands Commission (SLC) to purchase of a public right-of-way to Martins Beach in San Mateo County. The bill would authorize the SLC to transfer up to \$1 million for expenditure to secure said access, either through eminent domain or negotiated settlement. This bill requires a 2/3 vote. Amendments of 05/26 authorize the SLC to deposit funds from San Mateo County into the Subaccount. Amendments of 06/22 specify that any expenditure of funds transferred from the Kapiloff fund for acquisition must not involve imminent domain.

Introduced 12/05/16
Last Amended 06/22/17
Status Assembly Appropriations Committee.

SB 44 (Jackson) Coastal Oil Well Cleanup Act

This bill would require the State Lands Commission (SLC) to conduct a statewide assessment of improperly abandoned “legacy” oil wells along the coast for which there is no responsible party; identify those with a high priority for remediation; survey and monitor natural oil seeps in state waters, begin remediation efforts in cooperation with the Department of Oil Gas and Geothermal Resources, and allocate \$2 million per year from State Tidelands Revenue to support the program. *Amendments of 5/26 require the SLC to report annually to the Legislature and specified committees on the activities and effectiveness of the program.*

Introduced 12/05/16
Last Amended 05/26/17
Status Assembly Appropriations Committee.
Commission Position Support

SR 44 (Jackson) National Marine Sanctuaries

This measure states the Senate’s commitment to defending U.S. National Marine Sanctuaries, and the designation and expansion of National Marine Sanctuaries according to the current federal process.

Introduced 06/06/17
Status Enrolled.

SB 96 (Committee on Budget and Fiscal Review) Budget Act of 2017-18

This bill will make appropriations in support of the State of California for public purposes including the California Coastal Commission’s annual budget.

Introduced 01/10/17
Last Amended 06/09/17
Status Chaptered.

SB 188 (Jackson) State lands: leasing; oil and gas

This bill would prohibit the State Lands Commission from entering into any new lease or other conveyance that authorizes the exploration, development or production of oil and natural gas on state tidelands. The bill would prohibit the commission from entering into any lease renewals, modifications or extensions that authorize the lessee to engage in new or additional exploration, development, or production of oil and natural gas. Amendments of 06/08 make minor, technical changes.

Introduced 01/25/17
Last Amended 06/08/17
Status Assembly Appropriations Committee.

SB 249 (Allen) Off-highway motor vehicle recreation

This bill would extend the existing January 1, 2018 sunset of the Off-Highway Motor Vehicle Recreation Act of 2003 to January 1, 2023; require the department to prepare a report to the Governor and the Legislature by January 1, 2022, as specified; implement a monitoring program to better measure the conditions of habitat, wildlife, soils and vegetation; identify and protect sensitive natural, cultural and archeological resources, and make revisions to gasoline tax calculations and funding restrictions. *Amendments of 05/26 delete the requirement to form a science advisory team, adds reporting requirements to the Natural Resources Agency, requires the division to develop protocols and practices to assure management measures are met, and makes further revisions to the gas tax and other fee collections. Amendments of 06/26 delete the revisions to the Revenue and Tax Code, relating to revisions in gas tax collection and distribution. Amendments on 7/13 revise the due date for the report to January 1, 2024, and make other changes relating to the management of OHV parks.*

Introduced 07/13/17
Status Assembly Appropriations Committee

SB 290 (Jackson) Marine mammals and sea turtles: entanglement and stranding: emergency rescue services: grants

This bill would require the Wildlife Health Center at UC Davis to provide grants to qualified organizations to respond to marine mammal or sea turtle entanglement or stranding events. *The May 1 amendments make changes to the Findings Section of the bill, eliminates the reference to the Sea Turtle Stranding and Salvage Network, and adds the Large Whale Entanglement Response Program as a “qualified organization.”*

Introduced 02/09/17
Last Amended 05/01/17
Status Assembly Appropriations Committee.

SB 386 (Glazer) State beaches and parks: smoking ban

This bill would make it a civil misdemeanor to smoke cigars or cigarettes on state coastal beaches, punishable by fines up to \$250. The bill would authorize the State Parks Director to post signs regarding smoking restrictions, as well as to designate areas within a state park unit that is exempt from the ban. *Amendments of 06/28 would authorize the Director of Parks and Recreation to designate areas within state park units as exempt from the smoking ban.*

Introduced 02/14/17
Last Amended 06/28/17
Status Assembly Appropriations Committee.

SB 503 (Newman) Personal income taxes: voluntary contributions: minimum contributions

In relevant part, his bill would set the minimum contribution level for all voluntary tax contributions, including the Coastal Commission’s “Protect Our Coast and Ocean” fund, at \$0 for 2017. This will prevent any voluntary tax contribution fund from being dropped from the 2018 income tax returns for failure to meet the minimum contribution threshold. Due to an unanticipated change in personal income tax software, voluntary contributions are significantly lower for the 2016 tax year. This measure has an urgency clause, and would take effect immediately if enacted. *Amendments of 06/29 delete the provision related to minimum voluntary tax contribution levels. This language was amended into a Budget Trailer Bill (AB 111) and has already been enacted. Amendments of July 20 extend the authorization of the Coastal Commission’s “Protect Our Coast and Oceans Fund” to January 1, 2025, and set the mandatory minimum required for reauthorization at \$250,000.*

Introduced 02/16/17
Last Amended 07/20/17
Status Assembly Appropriations Committee

Commission Position: Support

SB 588 (Hertzberg) Marine resources and preservation

This bill would substantially revise the Marine Resources Legacy Act (aka the “Rigs to Reefs” program) in the Fish and Game Code, related to the regulatory process of offshore oil and gas facilities conversion to artificial reefs. The bill designates the State Lands Commission as the lead agency for environmental review under CEQA for an application to partially remove an offshore structure. The bill requires the Department to determine the cost savings of partial removal compared with full removal, as well as make the determination of whether partial removal provides a net environmental benefit. The bill includes consideration of greenhouse gas emissions as part of the analysis of net environmental benefit. The bill makes changes to the application process, and changes to the timing of the distribution of funds; requires the applicant to provide sufficient funds for all agencies to perform the responsibilities proscribed by the bill, and gives the Ocean Protection Council the responsibility of determining the appropriate weight to be given to adverse impacts to the marine environment versus greenhouse gas emissions. The bill would allow the first applicant to partially remove an offshore platform to pay startup and other costs associated with processing the application as determined by the department. *Amendments of 06/19 specify that only platforms located deeper than 100’ are eligible.*
