**DATE:** November 29, 2018

**TO:** Commissioners and Interested Persons

**FROM:** Steve Hudson, Deputy Director, South Coast District

**RE:** Request to extend the 60-day time limit for action for up to one year on the City of Redondo Beach Major LCP Amendment Request No. 2-17 (LCP-5-RDB-17-0061-1) (Emergency Shelters) for Commission action at its December 12, 2018 meeting in Newport Beach.

On October 25, 2017, the Commission's South Coast District office in Long Beach received LCP Amendment Request No. 2-17 (LCP-5-RDB-17-0061-1), affecting only the City's Implementation Plan (IP), to allow Emergency Shelters in certain industrial zones. On November 8, 2017 staff determined that the submittal was incomplete and sent the City a letter information that would be requiring before the application could be deemed complete. On November 8, 2018, the City provided staff with the requested information and staff determined that the LCP amendment request was complete.

Pursuant to Section 30513 of the Coastal Act, an IP Amendment must be scheduled for a public hearing and the Commission must take action, within 60 days of receipt of a complete submittal. The 60th day for this IP is January 7, 2019. There was insufficient time to review the submitted information and prepare a recommendation for the December 2018 Commission hearing and there is no January 2019 Commission hearing.

Section 30517 of the Coastal Act and Section 13535(c), Title 14 of the California Code of Regulations allows the Commission to extend, for good cause, the 60-day time limit for up to one year. Commission staff is requesting this extension to allow additional time to evaluate the issues and concerns with this submittal. The full one-year extension is requested because extensions are only considered once and it is prudent to allow for the maximum amount of time in case of unexpected delays. Commission staff expects to bring the LCP amendment to a hearing by Spring 2019.

## STAFF RECOMMENDATION

Staff recommends the Commission vote YES to extend the deadline for Commission action for one year.

**MOTION:** *"I move that the Commission extend the 60-day time limit to act on the City of Redondo Beach LCP Amendment Request No. LCP-5-RDB-17-0061-1 for a period of one year."*

An affirmative vote of the majority of the Commissioners present is needed to pass the motion.
