TO: Coastal Commission and Interested Persons

FROM: John Ainsworth, Executive Director
Susan Hansch, Chief Deputy Director

SUBJECT: Filing Fee Increase effective July 1, 2018
Information Item/No Commission Action Required

The Commission's Application filing fees are governed by the Coastal Act and implementing regulations. (See Pub. Res. Code § 30620(c); Cal Code Regs., tit. 14, § 13055.) Under the Commission's regulations, the filing fees are adjusted annually to account for inflation. Increases are based on the year 2008, when the regulation for increases became effective. The percentage increase from 2008 to 2018 is 20.9 percent; effectively, this increases fees from the current fiscal year by approximately 3.6%.

Specifically, the Commission's regulations provide:

“The fees established ... shall be increased annually by an amount calculated on the basis of the percentage change from the year in which this provision becomes effective in the California Consumer Price Index for Urban Consumers as determined by the Department of Industrial Relations pursuant to Revenue and Taxation Code Section 2212. The increased fee amounts shall become effective on July 1 of each year. The new fee amounts shall be rounded to the nearest dollar.” (Cal. Code Regs., tit. 14, § 13055(c).)

This requirement to adjust annually for inflation became effective in March 2008. The fees generated are deposited into the Coastal Act Services Fund. Upon appropriation by the Legislature, the Commission may expend the money for implementation of the Coastal Act. Each year, \$500,000 (adjusted annually for inflation) is transferred to the State Coastal Conservancy's Coastal Access Account. (See Pub. Res. Code, §§ 30620.1 and 30620.2.)

Based on the Department of Industrial Relations CPI Index Calculator, the California Consumer Price Index for Urban Consumers between April 2008 thru April 2018 increased by 20.9%. (<https://www.dir.ca.gov/OPRL/CPI/CPICalc.xls>.)

The schedule of filing fees will be adjusted for inflation effective July 1, 2018. The new fee schedule will be posted on the Commission's website and is attached, hereto. (See Exhibit 1.) The final amended regulation will be available on the Commission's website following review and approval by the Office of Administrative Law.

No Commission action is required.

APPENDIX E**

FILING FEE SCHEDULE

(EFFECTIVE JULY 1, 2018)

**FEES WILL BE ADJUSTED EACH YEAR ON JULY 1, ACCORDING TO THE CALIFORNIA CONSUMER
PRICE INDEX**

- Pursuant to Government Code section 6103, public entities are exempt from the fees set forth in this schedule.
- Permits shall not be issued without full payment for all applicable fees. If overpayment of a fee occurs, a refund will be issued. Fees are assessed at the time of application, based on the project as proposed initially. If the size or scope of a proposed development is amended during the application review process, the fee may be changed. If a permit application is withdrawn, a refund will be due only if no significant staff review time has been expended (e.g., the staff report has not yet been prepared). Denial of a permit application by the Commission is not grounds for a refund.
- If different types of development are included on one site under one application, the fee is based on the sum of each fee that would apply if each development were applied for separately, not to exceed \$120,900 for residential development and \$302,250 for all other types of development.
- Fees for after-the-fact (ATF) permit applications shall be five times the regular permit application fee unless the Executive Director reduces the fee to no less than two times the regular permit application fee. The Executive Director may reduce the fee if it is determined that either: (1) the ATF application can be processed by staff without significant additional review time (as compared to the time required for the processing of a regular permit,) or (2) the owner did not undertake the development for which the owner is seeking the ATF permit.
- In addition to the above fees, the Commission may require the applicant to reimburse it for any additional reasonable expenses incurred in its consideration of the permit application, including the costs of providing public notice.
- The Executive Director shall waive the application fee where requested by resolution of the Commission. Fees for green buildings or affordable housing projects may be reduced, pursuant to Section 13055(h) of the Commission's regulations.

See Section 13055 of the Commission's regulations
(California Code of Regulations, Title 14)
for full text of the requirements
