**Subject: Certification Review for San Luis Obispo County Local Coastal Program
Amendment Number LCP-3-SLO-18-0020-1 (Cannabis Regulations).**

On June 6, 2018 the Coastal Commission approved San Luis Obispo County's Local Coastal Program (LCP) Amendment Number LCP-3-SLO-18-0020-1. This amendment adds definitions related to cannabis and standards for commercial cannabis uses to the LCP and specifies the land use categories and Areas Plans in which such uses are allowed.

By action taken August 7, 2018, San Luis Obispo County adopted the amending LCP text (see Exhibit 1). The Executive Director has determined that the actions taken by the County are legally adequate and that the amended LCP should be certified. The Executive Director recommends that the Commission concur with this determination and that the LCP, as amended, be certified. If the Commission concurs, the amended LCP will be certified as of today's date (i.e., September 13, 2018), and notification of this certification and Commission concurrence will be forwarded to the County.

Motion. I move that the Commission concur with the Executive Director's determination that the actions taken by San Luis Obispo County to accept the Commission's approval of LCP Amendment Number LCP-3-SLO-18-0020-1 are legally adequate. I recommend a yes vote.

Executive Director's Recommendation. The Executive Director recommends a **YES** vote on the motion. Passage of this motion will result in certification of the San Luis Obispo County LCP consistent with the Commission's approval of LCP Amendment Number LCP-3-SLO-18-0020-1; the amended LCP will be certified as of today's date (i.e., September 13, 2018). The motion passes only by affirmative vote of a majority of the Commissioners present.
