Photo 1: View to the north from the southern beach. Areas proposed for the visitor center located in the center of the photo.

Photo 2: View to the West from the coastal bluff. Proposed area for the visitor center shown in the center of the photo.

Photo 3: View to the south from the Bay Street parking lot. Areas proposed for the visitor center include the tackle shop to the right and the storage shed behind and to the left of the tackle shop. The utility bay represented by the green grass will not be disturbed under the Proposed Project.

Photo 4: View to the east from the Seascope Restaurant. Areas proposed for the visitor center include the paved areas shown in the photo.
