DATE: April 18, 2019

TO: Commissioners and Interested Parties

FROM: Jack Ainsworth, Executive Director

SUBJECT: **County of Santa Barbara LCP Amendment LCP-4-STB-18-0071-2-Part A (Highway 101 HOV: Carpinteria to Santa Barbara):** Executive Director's determination that the County's acknowledgement of receipt, acceptance, and agreement with the Commission's certification with one suggested modification is legally adequate. This determination will be reported to the Commission at the Thursday, May 9, 2019 hearing in Oxnard.

On December 14, 2018, the Commission approved Local Coastal Program Amendment No. LCP-4-STB-18-0071-2-Part A, submitted by the County of Santa Barbara, with one suggested modification. This amendment amends the Land Use Plan and Implementation Program/Coastal Zoning Ordinance components of the County's certified Local Coastal Program (LCP) to allow for the development of a transportation improvement project, which includes construction of high occupancy vehicle (HOV) lanes and coastal access improvement projects.

On March 19, 2019, the County Board of Supervisors adopted Resolution No. 19-80 (attached) acknowledging receipt of the Commission's certification of LCP Amendment No. LCP-4-STB-18-0071-2-Part A and accepting and agreeing to the one modification suggested by the Commission.

Pursuant to Section 13544 of the California Code of Regulations, Title 14, Division 5.5, the Executive Director must determine that the action taken by the County of Santa Barbara acknowledging receipt and acceptance of, and agreement with the Commission's certification of the above referenced LCP amendment with one suggested modification is legally adequate and report that determination to the Commission. The certification shall become effective unless a majority of the Commissioners present object to the Executive Director's determination.

I have reviewed the County's acknowledgement, acceptance of, and agreement with the terms and one suggested modification to LCP Amendment LCP-4-STB-18-0071-2-Part A, as approved by the Commission on December 14, 2018, as contained in the adopted Board Resolution of March 19, 2019, and find that the County's action and notification procedures for appealable development are legally adequate to satisfy the terms and requirements of the Commission's certification. I therefore recommend that the Commission concur in this determination.
