Prepared June 21, 2019 (for July 11, 2019 Hearing)

To: Coastal Commissioners and Interested Persons

From: Susan Craig, Central Coast District Manager
Sarah Carvill, Coastal Planner

Subject: Certification Review for San Luis Obispo County's Local Coastal Program Amendment Number LCP-3-SLO-19-0009-1 (Cannabis Regulations Update).

On April 10, 2019 the Coastal Commission approved San Luis Obispo County's Local Coastal Program (LCP) Major Amendment Number LCP-3-SLO-19-0009-1. This amendment updates the County's recently-certified cannabis regulations by adding cannabis processing facilities and cannabis transport facilities as new cannabis uses in the Land Use Plan. The Implementation Plan component of the amendment adds standards with which the new uses must comply, updates the standards relating to existing uses to increase restrictions on outdoor lighting, and makes a variety of other minor and clarifying changes.

By action taken June 4, 2019, San Luis Obispo County adopted the amending LCP text (see Exhibit 1). The Executive Director has determined that the action taken by the County is legally adequate and that the amended LCP should be certified. The Executive Director recommends that the Commission concur with this determination and that the LCP, as amended, be certified. If the Commission concurs, the amended LCP will be certified as of today's date (i.e., July 11, 2019), and notification of this certification and Commission concurrence will be forwarded to the County.

Motion. I move that the Commission concur with the Executive Director's determination that the action taken by San Luis Obispo County to accept the Commission's approval of LCP Amendment Number LCP-3-SLO-19-0009-1 is legally adequate. I recommend a yes vote.

Executive Director's Recommendation. The Executive Director recommends a **YES** vote on the motion. Passage of this motion will result in certification of the San Luis Obispo LCP consistent with the Commission's approval of LCP Amendment Number LCP-3-SLO-19-0009-1; the amended LCP will be certified as of today's date (i.e., July 11, 2019). The motion passes only by affirmative vote of a majority of the Commissioners present.
