RE: Coastal Development Permit Application #6-20-0129

Dear Chair Padilla:

The San Diego County Regional Airport Authority (SDCRAA) wishes to advise the California Coastal Commission (CCC) that the SDCRAA supports the recommendation in the staff report dated May 21, 2020, and accepts the Special Conditions of the Additional Fuel Tanks Coastal Development Permit. SDCRAA is not aware of any opposition to the Coastal Development Permit. Therefore, the SDCRAA suggests that the item be moved to the Consent Calendar at your meeting of June 12, 2020 in order to be efficient with the Commission's time.

The SDCRAA appreciates the tremendous effort, professionalism, and level of cooperation exhibited by your staff in their review of our application. In particular, the SDCRAA appreciates the time and effort afforded to us by Ms. Melody Lasiter, Ms. Kanani Leslie, and Mr. Karl Schwing in the review of this application.

Sincerely,

Ted Anasis, AICP  
Manager, Planning & Environmental Affairs
