Prepared December 18, 2020 for the January 13, 2021 Hearing

TO: Coastal Commissioners and Interested Persons

FROM: John Ainsworth, Executive Director
Robert S. Merrill, North Coast District Manager
Cristin Kenyon, Supervising Analyst

SUBJECT: Executive Director's determination that the action of the City of Eureka accepting the Commission's certification of LCP Amendment No. LCP-1-EUR-17-0049-2 (Emergency Shelters) is legally adequate.

On October 9, 2020, the Commission approved City of Eureka's Local Coastal Program (LCP) Amendment No. LCP-1-EUR-17-0049-2 with five suggested modifications. This amendment amends the City's certified land use plan (LUP) and implementation program (IP) to add emergency shelters as a permitted use in the general commercial, general industrial, and light industrial zoning districts and land use designations, and add specific regulations and permitting requirements for emergency shelters to a new Article 2.5 of the IP.

By its actions adopting Resolutions 2020-68 and 2020-69 and Ordinances 908-C.S. and 909-C.S. on December 1, 2020, the Eureka City Council has acknowledged and accepted all the Commission's suggested modifications. Pursuant to section 13544 of Title 14 of the California Code of Regulations, the Executive Director has determined that the actions taken by the City are legally adequate to satisfy the terms and requirements of the Commission's certification. If the Commission concurs, the amended LCP will become effective and notification of this certification and Commission concurrence will be forwarded to the City.

Executive Director's Recommendation. Staff recommends that the Commission concur with the Executive Director's determination that the actions of the City of Eureka in accepting the Commission's certification, with suggested modifications, of LCP Amendment No. LCP-1-EUR-17-0049-2, are legally adequate.
