SUBJECT: Addendum to Staff Report for CDP 6-20-0564, San Diego Gas and Electric

This addendum provides additions and revisions to the September 23, 2021 staff report.

I. CHANGES TO STAFF REPORT

The following are revisions to the text of the staff report and recommendation. Proposed deletions are marked with ~~strike through~~ text and additions are marked with underlined text.

a) Revised text in Section III., page 5:

1. **Impacts to Wetlands.** A post construction survey shall be completed and submitted to the Executive Director one year after revegetation that identifies any impacts to wetlands that have not been fully restored, pursuant to the criteria in this condition. Any such impacts that remain a year after ~~project completion~~ revegetation shall be considered permanent impacts, and such impacts shall be deducted at a 4:1 ratio from mitigation banks at Rancho Jamul or San Luis Rey. The following standards of success for temporary impacts and restoration shall apply...
