State Coastal Conservancy Meeting Report Sept 23, 2021

The Coastal Conservancy approved the following:

NORTH COAST

 Authorization to transfer fee title to nine Conservancy-owned parcels in the <u>Bodega</u> <u>Bay</u> area to the County of Sonoma; approval of the implementation/disposition plans for the property transfer; and authorization to disburse up to \$34,000 to Sonoma County Regional Parks to prepare surveys and Phase 1 environmental site assessments of the parcels.

CENTRAL COAST

- 2. A grant of up to \$165,000 to Trout Unlimited to augment an existing Conservancy grant authorized on May 24, 2018, to replace a concrete creek crossing with a fish-friendly box culvert on <u>Cachagua Creek</u>, a tributary to the Carmel River in Monterey County.
- A grant of up to \$216,636 to the Regents of the University of California, Santa Barbara (UCSB) to conduct invasive plant removal to <u>enhance native riparian habitat on the</u> <u>Santa Clara River</u> in Ventura County.
- 4. A grant of up to \$980,000 awarded to the Conservancy by the U.S. Fish and Wildlife Service under its National Coastal Wetlands Conservation Grant Program to the Elkhorn Slough Foundation to augment a Conservancy grant authorized on December 19, 2019 to complete Phase 2 of the <u>Elkhorn Slough Tidal Marsh Restoration Project</u> in Elkhorn Slough, Monterey County.
- A grant of up to \$212,812 to San Mateo County Harbor District to construct new public restrooms, realign a small segment of the California Coastal Trail, reconfigure the parking lot, and install other visitor-serving amenities at <u>Pillar Point Harbor</u> adjacent to Surfer's Beach in San Mateo County.
- A grant of up to \$100,000 to the County of Santa Cruz to develop a facilities and management plan for public access and natural resource protection for the <u>north coast</u> <u>region of Santa Cruz County</u>.

Coastal Conservancy Meeting Report Sept 23, 2021

- A grant of up to \$755,820 to Earth Island Institute to remove two fish barriers, replace them with bridges, and restore habitat on <u>Davy Brown Creek</u>, located in the Santa Maria River watershed, and adoption of findings under the California Environmental Quality Act.
- 8. A grant of up to \$825,000 to the Land Conservancy of San Luis Obispo County for the acquisition of three <u>conservation easements on the 7,681-acre Attiveh Ranch</u> in northern San Luis Obispo County.

SOUTH COAST

- A grant of up to \$200,000 to San Diego Botanic Garden (SDBG) to <u>enhance and restore</u> <u>4.6 acres of riparian upland habitat</u> at Ocean Knoll Canyon in the City of Encinitas, San Diego County.
- 10. A grant of up to \$35,780 to Orange County Coastkeeper to conduct monitoring and outreach to protect endangered bird species and associated habitat located near the <u>Santa Ana River Mouth</u> in the cities of Newport Beach and Huntington Beach.
- 11. A grant of up to \$180,680 to the Environmental Center of San Diego to prepare environmental assessments, permit applications, and draft engineering designs to provide additional <u>public access at Princess Street</u> in La Jolla, San Diego.
- 12. A grant of up to \$3,500,000 to augment the Conservancy grant of \$4,900,000, previously authorized to the Crystal Cove Conservancy to restore 17 historic cottages on <u>North</u> <u>Beach of the Crystal Cove</u> Historic District at Crystal Cove State Park in Orange County.
- 13. A grant of up to \$200,000 to the Sierra Health Foundation to work with tribal entities to conduct planning to further tribal access, tribal participation in land management, and land acquisition by <u>tribal entities at multiple sites in Orange County</u>.
- 14. A grant of up to \$330,040 to Amigos de los Rios to implement the <u>Monrovia High School</u> <u>Watershed Discovery Project</u> in Monrovia, Los Angeles County.
- 15. Authorization to terminate the Coastal Conservancy's <u>Calleguas Creek Watershed In-lieu</u> <u>Fee Program</u> by disbursing \$2,453,773 million for the purchase of 58.11 jurisdictional wetland and riparian buffer credits from the Santa Paula Creek Mitigation Bank.

Coastal Conservancy Meeting Report Sept 23, 2021

- 16. A grant of up to \$495,000 to the Mountains Recreation and Conservation Authority to prepare final engineering designs and construction specifications, and prepare and submit permit applications needed to: 1) update and repair existing public beach access amenities, including two beach stairways, and to 2) install new Americans with Disabilities Act compliant public access amenities, including a restroom, at <u>Lechuza</u> <u>Beach</u> in the City of Malibu.
- 17. A grant of up to \$1,342,500 to the Riverside County Regional Park and Open Space District for construction of a segment of the <u>Santa Ana River Trail</u> as part of the U.S. Army Corps of Engineers Prado Dam Alcoa Dike construction project, and adoption of findings under the California Environmental Quality Act.
- 18. A grant of up to \$310,000 to Coastal Quest to conduct stakeholder <u>outreach and</u> <u>engagement for coastal resiliency planning for state parks</u> on the San Diego County coast.

STATEWIDE

19. \$1,721,088 to nonprofit organizations and public agencies for 45 projects that facilitate and enhance the public's opportunities to <u>explore the California coast</u>. Participants are drawn from throughout the State and will visit coastal locations from Del Norte County south to San Diego County.

EXECUTIVE OFFICER REPORT

- A. Legislative Report
- B. Consideration and possible approval of Project Selection Criteria
- C. <u>Coastal Access Standards</u>
- D. Update on Coastal Stories Grant Program
- E. Update on proposed Endless Summer License Plate
- F. Update on 2019 Bay Area Integrated Regional Water Management Plan
- **G.** Consideration and possible approval of the <u>2022 Conservancy meeting schedule</u>

The next Conservancy meeting is scheduled for December 2, 2021 and will (probably) be held via teleconference.
