ADDENDUM

November 10, 2021

TO: Coastal Commissioners and Interested Parties

FROM: South Central Coast District Staff

SUBJECT: **ADDENDUM TO ITEM TH15B, APPLICATION NO. 4-21-0227 (ANDRÉE CLARK BIRD REFUGE) FOR THE COMMISSION MEETING OF THURSDAY, NOVEMBER 18, 2021**

I. CHANGES TO STAFF REPORT

Commission staff recommends changes to the staff report dated October 28, 2021 to clarify the term of permit approval in Special Condition 8. The recommended change allows for five years of implementation since the applicant will not be carrying out the beach elevation management plan activities this year. Language to be added to the staff report is shown in underlined text, and language to be deleted is identified by ~~strike out~~.

a) **On page 15 of the staff report, Special Condition 8 shall be modified as follows:**

8. Term of Permit Approval. This coastal development permit authorizes implementation of the approved Beach Elevation Management Plan (BEMP) activities on a temporary basis only through May 1, 2027 ~~for a period of five (5) years from the date that Coastal development permit 4-21-0227 is approved by the Commission~~, after which time all activities shall cease unless either a new coastal development permit, or amendment to this permit, authorizing additional future BEMP activities is approved and issued by the California Coastal Commission.
