**TO:** Commissioners and Interested Parties

**FROM:** John Ainsworth, Executive Director

**SUBJECT:** **County of Santa Barbara LCP Amendment LCP-4-STB-19-0157-1 (2019 General Package):** Executive Director's determination that the County's acknowledgement of receipt, acceptance, and agreement with the Commission's certification with suggested modifications is legally adequate. This determination will be reported to the Commission at the Thursday, March 11, 2021 hearing.

---

On December 10, 2020, the Commission approved Local Coastal Program Amendment No. LCP-4-STB-19-0157-1, submitted by the County of Santa Barbara, with two suggested modifications. This amendment amends the Implementation Program/Coastal Zoning Ordinance component of the County's certified Local Coastal Program (LCP) to implement new regulations and revisions regarding commercial telecommunications facilities, recordable documents, time extensions, and to make other minor corrections and revisions.

On February 2, 2021, the Board of Supervisors adopted Resolution No. 21-21 (attached) acknowledging receipt of the Commission's certification of LCP Amendment No. LCP-4-STB-19-0157-1 and accepting and agreeing to the modifications suggested by the Commission.

Pursuant to Section 13544 of the California Code of Regulations, Title 14, Division 5.5, the Executive Director must determine that the action taken by the County of Santa Barbara acknowledging receipt and acceptance of, and agreement with the Commission's certification of the above referenced LCP amendment with suggested modifications is legally adequate and report that determination to the Commission. The certification shall become effective unless a majority of the Commissioners present object to the Executive Director's determination.

I have reviewed the County's acknowledgement, acceptance of, and agreement with the terms and suggested modifications to LCP Amendment LCP-4-STB-19-0157-1, as approved by the Commission on December 10, 2020, as contained in the adopted Board of Supervisors Resolution of February 2, 2021, and find that the County's action is legally adequate to satisfy the terms and requirements of the Commission's certification. I therefore recommend that the Commission concur in this determination.
