Subject: Public Comment on March 2021 Agenda Item Wednesday 10b - City of Huntington Beach LCP Amendment No. LCP-5-HNB-20-0089-2. (Omnibus Clean-up and Group Homes).

I am a homeowner in Huntington Beach and I strongly object to allowing permits of sober living homes in residential areas of the City (especially near the beach where many children are). Please do not pas this ammendment!

Regards,

Debra Klein
