II. **FINDINGS AND DECLARATIONS.**

The Commission finds and declares as follows:

A. Port Master Plan Amendment Certification. California Code of Regulations, Title 14, Section 13632(e) states that:

The certification of a port master plan [or amendment] shall not become effective until the port governing body takes formal action adopting such plan [amendment] as certified by the commission and the commission has received notice of such action, including the final EIR adopted for such action and the commission has accepted the formal action as consistent with its certification.

On February 10, 2021, the Commission certified the Port of San Diego Port Master Plan Amendment No. PMP-6-PSD-20-0001-1. On March 9, 2021, the Board of Port Commissioners of the San Diego Unified Port District adopted the Commission's certification of plan Amendment No. PMP-6-PSD-20-0001-1. Therefore, the Commission staff recommends that the Commission accept the Board's March 9, 2021 action.
