**Prepared June 4, 2021 (for the June 9, 2021 Hearing)**

**To:** Commissioners and Interested Parties  
**From:** Kate Huckelbridge, Deputy Director  
**Subject:** **Energy, Ocean Resources and Federal Consistency Division Deputy Director's Report for June 2021**

The following coastal development permit (CDP) waivers, immaterial CDP amendments, CDP extensions, emergency CDPs, and negative determinations for the Energy, Ocean Resources and Federal Consistency Division are being reported to the Commission on June 7, 2021. Pursuant to the Commission's procedures, each item has been appropriately noticed as required, and each item is also available for review at the Commission's office in San Francisco. Staff is asking for the Commission's concurrence on the items in the Energy, Ocean Resources and Federal Consistency Division Deputy Director's report, and will report any objections received and any other relevant information on these items to the Commission when it considers the report on June 9, 2021.

With respect to the June 9th hearing, interested persons may sign up to address the Commission on items contained in this report prior to the Commission's consideration of this report. The Commission can overturn staff's noticed determinations for some categories of items subject to certain criteria in each case (see individual notices for specific requirements).

**Items being reported on June 7, 2021 (see attached)**

Re: Negative Determination No. ND-0014-21: Temporary Waterfront, Shore Storage and Administrative Facilities on Naval Base Ventura County, Port Hueneme

Dear Ms. Anh Ngo:

We have received your letter dated May 18, 2021, in which you have determined that the above-referenced proposal to establish temporary facilities to support the testing, evaluation and fielding of unmanned maritime systems at Naval Base Ventura County, Port Hueneme would have no adverse effect on coastal resources for the reasons identified in Negative Determination No. ND-0014-21. The Coastal Commission staff agrees that the proposed project will not adversely affect coastal zone resources. We therefore **concur** with your negative determination made pursuant to 15 CFR Section 930.35 of the NOAA implementing regulations.

Please contact Cassidy Teufel at [Cassidy.Teufel@coastal.ca.gov](mailto:Cassidy.Teufel@coastal.ca.gov) if you have any questions regarding this matter.

Sincerely,
