Subject: Public Comment on July 2021 Agenda Item Wednesday 22a - City of San Diego LCP Amendment No. LCP-6-SAN-19-0142-2 (Land Use Plan Findings) Time Extension.

Dear Commissioners and Staff:

My name is Jean Spengel and I represent Fiesta Island Dog Owners (FIDO), a non-profit organization with over 20,000 supporters from nearly 16,000 households.

FIDO has been working on the Fiesta Island plan for over 15 years, and our goal has always been to become stewards of the fenced area. One of our first goals is to improve access from the California Coastal Trail down to the shoreline. We hope to begin raising funds as soon as possible so that we can work with the City and the Commission to help maintain and improve the area.

We understand that the Staff is very busy and have requested a one-year extension on the Fiesta Island LCP, but we're asking that if possible, the LCP be finalized within the next 30 to 60 days. We hope to move forward as soon as possible to begin our new role so any help you can offer would be greatly appreciated.

Thank you for your consideration.

Respectfully,

Jean Spengel, DVM
FIDO Secretary
