Subject: Public Comment on October 2022 Agenda Item Thursday 10a & 10b - Application No. 9-20-0691 (South Coast Water District, Orange County) & Application No. 9-22-0318 (RTI Infrastructure, Inc., San Luis Obispo Co.)

We support Application No. 9-20-0691 (South Coast Water District, Orange County)
100%! It is long overdue!!!

We also support Application No. 9-22-0318 (RTI Infrastructure, Inc., San Luis Obispo Co.)
100%!

This Application **MUST** be approved along with any related proposals to establish a desalination facility in my community of Dana Point, California. This may be a matter of survival as California politics of extinction (the delta smelt ruling) continue to devastate farm land and human life, destroying the entire State of California.

There is no doubt the overwhelming majority of Californians support any and all desalination project proposals.

Sincerely,

--
